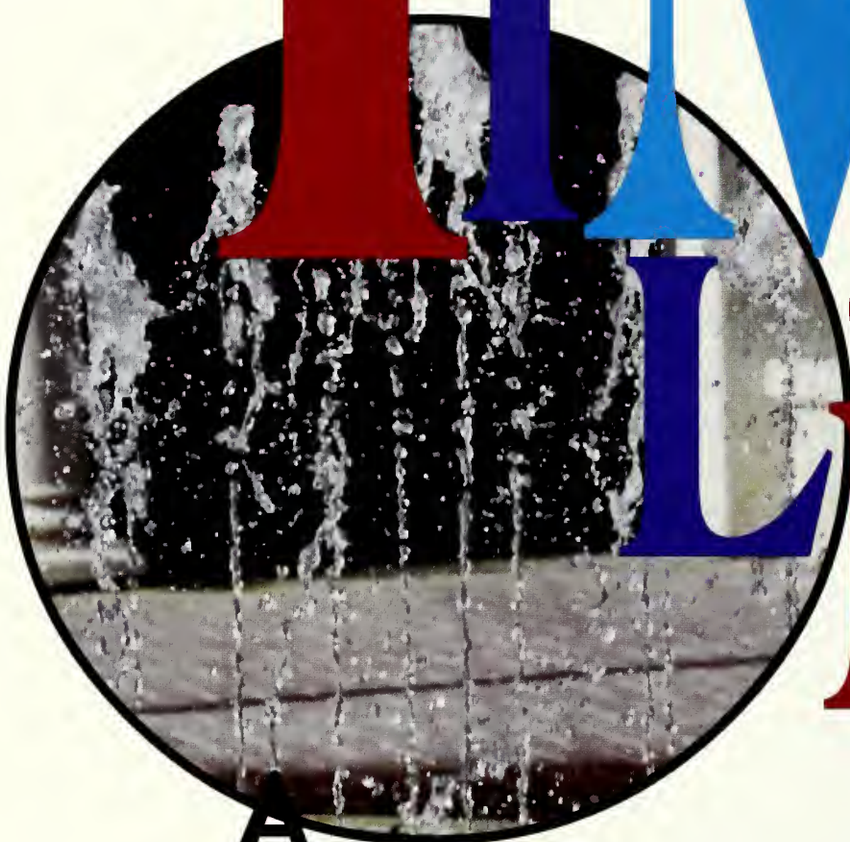
# TiMe LiNE

August 25th, 2003
Fall Classes Begin



As each new day passes, we often forget to look back and reflect on our experiences. Like the hands of a clock, our lives are constantly in motion. Busy schedules, classes, phone calls, appointments, boyfriends/girlfriends, food, technology, clothing, homework, television, relationships, etc. all contribute to this semi-overload of knowledge bombarding our brain each hour of the day. It's incredible how much information our minds can retain and yet how little we actually commit to memory.

This yearbook is meant to resurrect those lost memories we all experience in the hustle and bustle of daily life. Remember these moments to the fullest and know that life only happens once. Sit back, relax, and take a moment to flip through these pages and reflect.

Be proud to know that we, as individuals, played at least a small role in the history of Rollins College and the world.

September 11th, 2003 Two year anniversary of the terrorist attack on the Twin Towers in New York.

October 7th, 2003 Arnold Schwarzenegger, the buff star of Terminator and other action films, is elected Governor of California.

December 10th, 2003 Holiday Funfest helps less fortunate children have a fun holiday experience with college students.

December 14th, 2003 Saddam Hussein is found hiding in a hole in Baghdad and is captured.

January 16th, 2004 During Arbor Day, new live oak trees are planted to enhance the college's commitment to the "greening of the campus."

May 9th, 2004 Rollins College Commencement

Sexual Assault Awareness T-shirts were made to remember the voices of the victims.

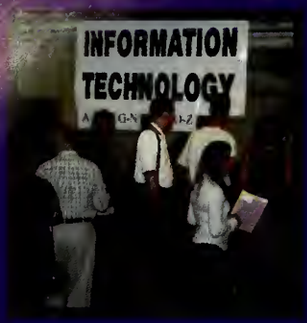
# Experiencing Student Life

The "College Experience" is about 90 percent making good grades and going to class, and about ten percent "Student Life." Student Life encompasses a whole realm of daily activities such as waking up in the morning and going out at night. It is the plethora of events that occur outside of classes and away from text books. Since there is a lot of this down time, inquiring minds might ask,

"Whatever do students do with themselves?" This is why this section is so important! It shows the real life of a Rollins College student, behind the hectic academic schedule and into the colorful and personal experiences they go through each day. Welcome to Student Life.

# Orientation

## Where it Begins...

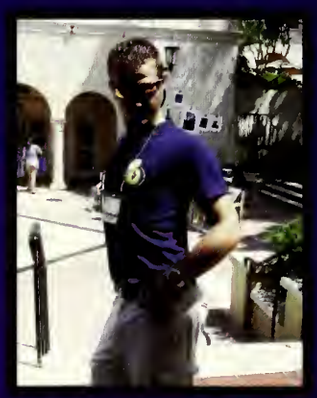


Learning the Ropes

Getting Involved

Meeting New People

Standing Out



Val Cooler

Lindsey Steding and David Grasso discuss leadership at an activities fair.

Blue-shirted peer mentors were a common (and hard to miss) sight during Orientation. They were ready and waiting on campus for the freshmen from the first day, providing everything from laughs to directions for the incoming students.

Lauren Ervin gives guidance to Lee Nance.

# Charting the Course

-Page by Abigayle Fidler

## Lines, Recyclers, and Stairs- Oh My!

August 20th, 2003 saw history in the making with the arrival of the class of 2007- the largest one to attend Rollins yet. Even so, arriving students barely had time to carry belongings up the stairs to their dorm rooms and kiss parents good-bye before being swept into the fast pace of Orientation. On the very first day, hundreds of freshmen braved the fearsome looking lines of half a dozen Cornell Campus Center locations providing them with everything from personal recycling bins to laptop computers and voice mail numbers- all the basic essentials. The solemn Candlewish ceremony that evening started off the rest of the events- but the peace of twilight and flames by the pool was quickly replaced by the rush of group breakfasts, tours, meetings and shows. RCC classes met throughout orientation, and the peer mentors were on hand from the beginning to help the new arrivals every step of the way. This year's freshmen wasted no time in making the school and community their own. By Monday morning the class of 2007, readied by five days of friends, excitement, and one unforgettable Eminem impression, woke up prepared for the beginning of the year.

## ...Yet So Little Time So Much To Do...

Mandy Freeman hands out recycle bins to incoming freshmen.

# Week In Week Out

-Page by Abigayle Fidler

Sarah Ledbetter makes everyone a little happier to be back during her stint in the dunk tank during Welcome Week.

## Welcome Week

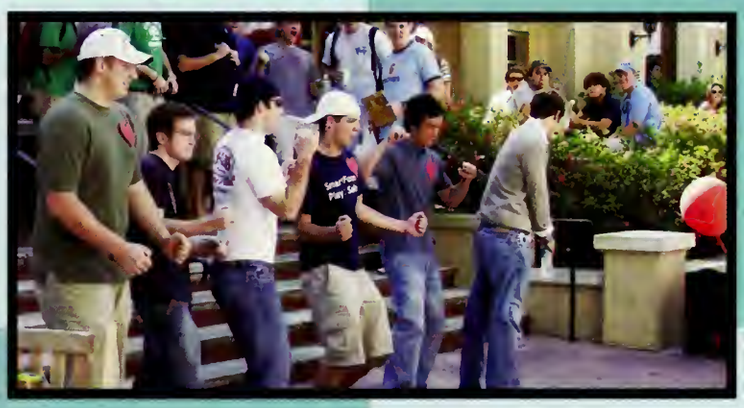
## Sexual Assault Awareness Week

A display of T-shirts covered with sexual assault awareness slogans covered Mills Lawn and caught the attention of many who passed.

# Jewish Awareness Week

Mayim Bialik of TV's "Blossom" came to Rollins to discuss and promote a better understanding of her Jewish life and her Hollywood persona.

# Healthy Lovin' Week



Brittany Lee chooses her perfect match from among several possible candidates who have no problem showing off their moves during "Singled Out".

# Asian Awareness Week

Chinese dragons and acrobats capped off the Asian Awareness Week festivities during a celebration of the Asian Lunar New Year.

## Dormitories. These Are The Days It's A Living.

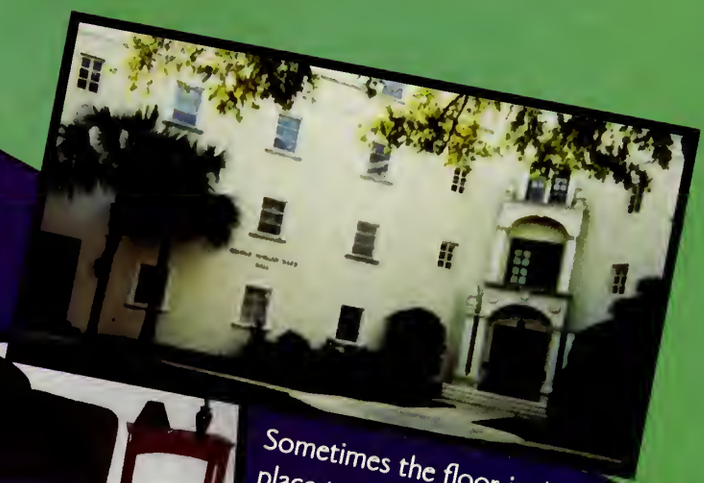
-Page by Monica Clayton

Yvette Kojic shrugs helplessly at the colossal mess that has swallowed her dorm room. Shhh... don't tell your roommate!

# LIVING LARGE:

## WITH ONLY 5 FEET OF SPACE!

# ...Great Fun!



We wash dishes in the multifunctional bathroom sink.

Sometimes the floor is the best place to rest.

# Great Friends...

We know how it feels. You look at the clothing pile and realize that MOM'S NOT HERE! Through it all you've survived. Just remember that you've got the summer to live in true luxury again (i.e. your parent's house).

Julie Chance

## Just me and my laundry.

Colleen Reagan climbs high at the Aguille Rock Climbing Adventure in Orlando

# A Walk in the Park

Due to its wonderful locations, Park Avenue provides Rollins students to escape the confines of campus without needing any form of vehicular transportation. Located on Park Avenue are clothing stores, shoe stores, restaurants, realtors, chocolate shops, coffee shops, banks, hair salons, spas, and even a pharmacy. Starbucks is one of the many specialty shops located on Park Ave. Students, like R.A. Emy Cardoza and Caroline (right), can almost always be found enjoying a caffeine break. Other popular stops along Park Ave. include, Barney's, Peterbrook Chocolates, Tuni's, Pottery Barn, Art Galleries and more! Park Ave, however, is not the only destination for Rollins students. Orlando offers a whole other world of restaurants, shopping, and fun.

# Out and About on Park Ave

## and beyond...

Page by Stephanie Hanisak

Traffic and driving in Orlando is crazy, just ask any student who has a car on campus. "Since I have been at Rollins, I have been involved in three car accidents. Luckily they have all been minor," revealed Freshman Rochelle Rubeis.

Shopping on Park Ave. is easy and fun with stores like Downeast, Seigals, Tuni's, and the Gap. Casey Capron searches for the perfect pair of jeans at Lucky.

With chocolate covered popcorn and chocolate covered strawberries as samples, another popular stop along Park Ave is Peterbrook Chocolates. Freshmen Sylvia Boliva chooses which size popcorn container she wants to purchase. "I love the chocolate covered popcorn. It is the perfect combination of sweet and salty. My roommate prefers the strawberries, because she has a sweet tooth," said Sylvia.

# Fashionably LOUD

## What's that noise? Why, it's ALL this fashion!

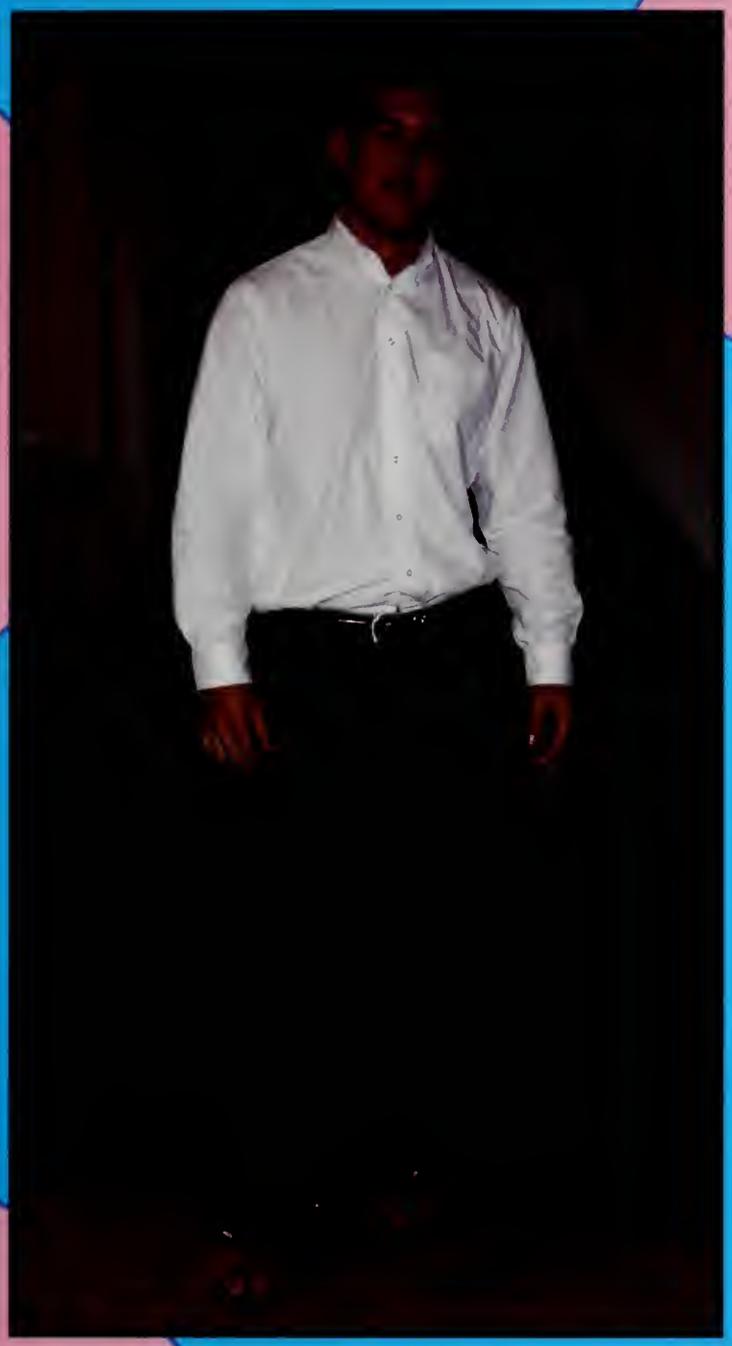
Page by Stephanie Hansiak

Snapshot Fashion

For most guys, sneakers and flip flops dominate their closets. "Sneakers are the all purpose shoe. They go with everything," revealed Deon Willaims.

Pink, initials, and totes were all very popular this year. L.L. Bean offered a great combination of these trends. "This is my favorite bag for books," said Sylvia Bolivar

"I wear my Rainbows everyday, and I do not know what I would do without them," said Rochelle Rubeis. Rainbows offer sandals for males and females.



A typical boy from Rollins college can be found wearing a wide variety of apparel. Brightly colored Polos, khakis, jeans, and sandals were spotted across campus.

A typical girl from Rollins College is found wearing a wide variety of apparel. Bubble minis, off the shoulder shirts, polos, and seven jeans were regulars throughout the campus.

Like most college campuses, Rollins gear can be seen on students everyday. The book store offers a wide variety of apparel and accessories.

In the Florida winter, boots are more about fashion than warmth. From pink to white, all colors and styles of boots were 'in' this year.

From Louis Vuiton's to Vera Bradley's and all that are in between, purses are always popular on college campuses.

# Student Leaders

Derek McIver and Carly Rothman

Celeste Simmons and Craig Wickless pull their weight

# Take Flight

This year's leadership retreat, "Flight School: Reloaded," took place from Friday, September 12th to Sunday the 14th. Hosted by the Office of Student Involvement and Leadership along with Impact, the event was open to all students wishing to hone their leadership skills. "Flight School" started with a variety of icebreaker activities, allowing crews to get to know each other before the groups took flight to the Future Farmers of America Leadership Training Center in Haines City. At the Center, crew members took part in activities ranging from performing skits to creating a human monster and building an ideal community. The events centered on the E6 leadership steps: Envision, Enlist, Embody, Empower, Evaluate, and Encourage. "Flight School: Reloaded" provided students, new and old, an opportunity to get to know one another while learning how to be effective leaders in the Rollins community.

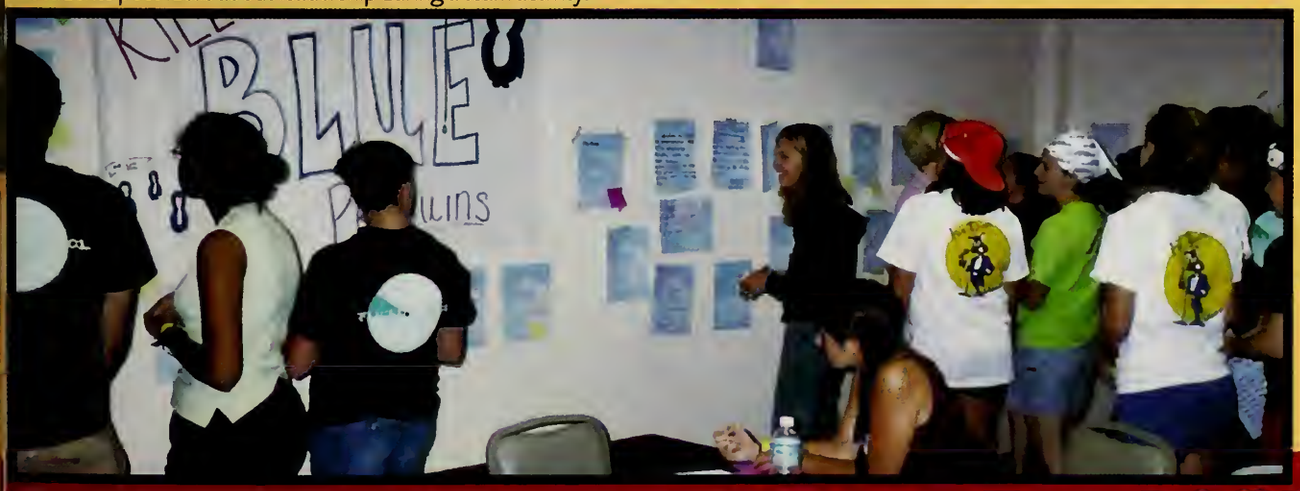
By Brittany Lee

Freshman Ishviyan de Saram stated, "The greatest aspect was that I interacted with a group of students who all shared common ideas of leadership and community-building."

Yadhira Galdon rests around her teammates in a leadership activity.

Students enjoy bonding during the leadership retreat.

Students post ideas about leadership during a team activity.



# HALLO HOWL

Eric Karlin assists a bowling game.

# WEEN

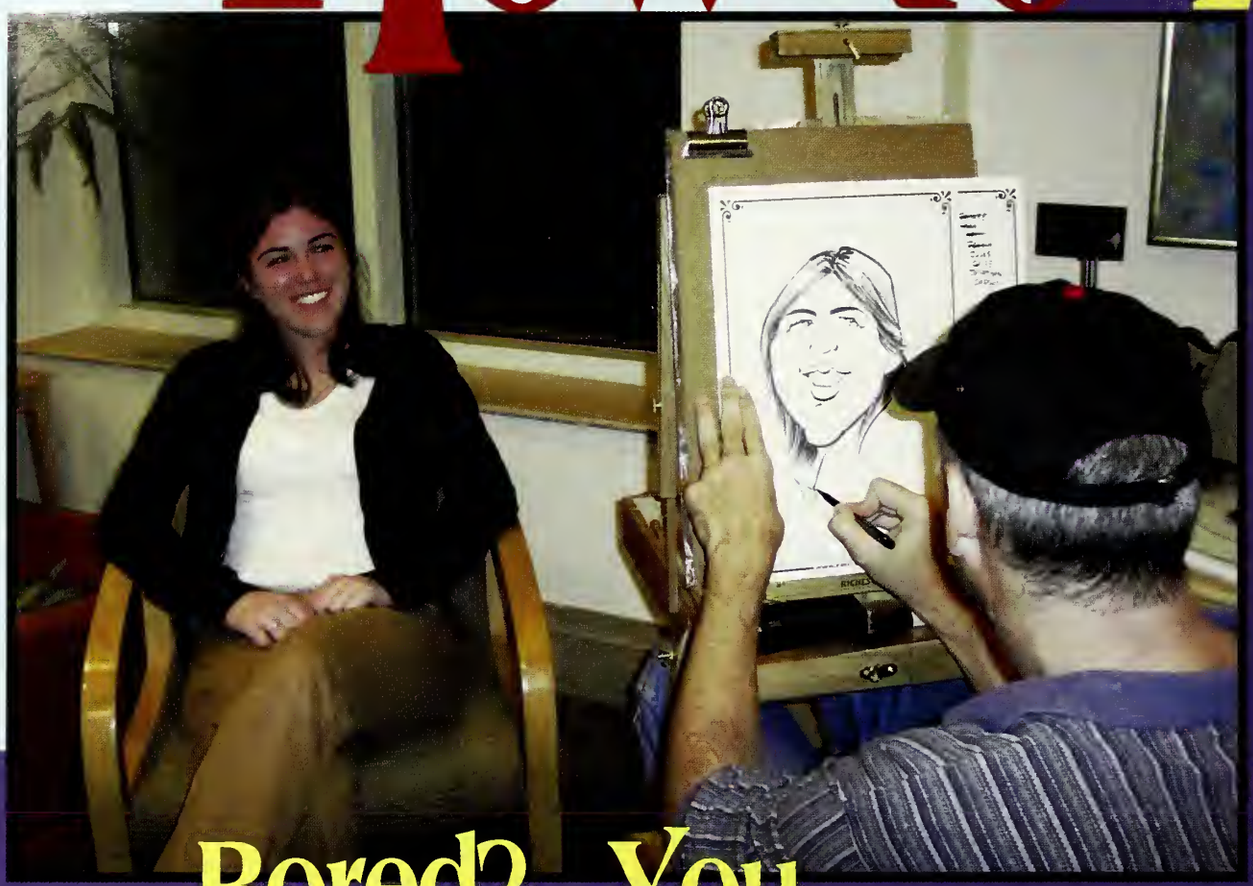
It started out like any normal Saturday. Students were waking up and going about their business. Birds were chirping and squirrels were throwing acorns at unsuspecting passersby. Then, out of the blue, Mills Lawn was suddenly overrun by ghosts, ghouls, and the occasional Teenage Mutant Ninja Turtle! Halloween Howl had begun. Oohs and aahs were heard all around as ladybugs painted miniature pumpkins, little princesses tried to pin the wart on the witch, and tiny Tiggers valiantly attempted to win a goldfish. The children of the community enjoy this annual opportunity to get lots of candy, prizes, and scares from eager college students. The event is an opportunity for many leadership organizations to help out in the community and have fun with bedecked youngsters while they're at it. -Bethany Strunk

## The Ghosts are coming out to Play!!

Chrystal George, Erica Basora, and Christine Bradford help paint pumpkins.

Kappa Delta members Brooke Dalrymple and Katie Barker make a stew with the children.

# How to be



Julianne gets a caricature drawn of herself.

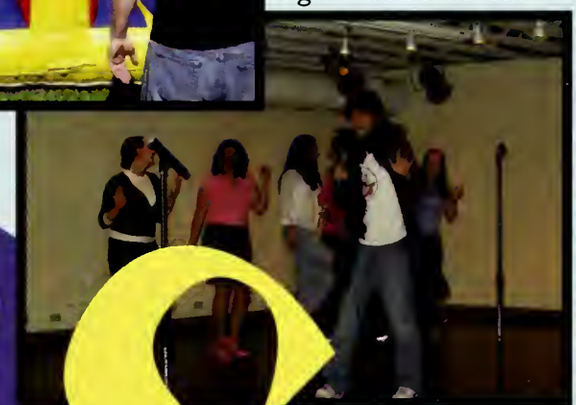
# Bored?... You shouldn't be.

Carson Fuller places a bet at the craps table.

There is always something to do on campus. From concerts to craps, students can usually find some way to have fun outside of their dorm rooms. Whenever they need a break from the pressure of school all they have to do is look around campus.

# Campus Savvy

Students played with the moon bounce equiptment on Mills Lawn.



Tripp Dolman sings "Like a Virgin" in the DownUnder.

The musical event of the fall was the Nappy Roots concert that drew a huge crowd.

Ron Irizarry plays live on Wicket Wednesday.

Kimberly O'Brien gets a relaxing massage to relieve stress in the Campus Center.

Young Dion gets his picture taken with Rollins' Santa at Holiday Funfest.

# At Night Is When

Julie Holmes, Alice Elebash, Hillary Hart, Kara Sincich, and Jeanne Tousignant got all dressed up before the Halloween party.

Say "Cheesecake"! Friends celebrated a birthday party fo Ali Pollack at the Cheesecake Factory.

Samantha Merritt, Maggie Breed, Carissa Maguire, and Natalie Hernandez

Jessica, Lara, and Kim enjoying late night mini-golf.

Josh, Jack, and Caroline

Clubs Parties Dancing Downtown

# The Stars Come Out

Rollins may be brighter than anyplace else, but that doesn't mean that nothing happens after dark. Whether it means going downtown to Church Street, across the street to Fiddler's Green, or just down a flight of stairs to the nearest frat house, there are always people ready to breathe new life into the night.

One night can last a lifetime... If you have a t-shirt and a permanent marker, that is. Lasting memories are easy to come by at the ATO Graffiti party- just read for yourself.

On Campus Dinners Weekends Frats

# LSU YEARBOOK '04

## Caught in a Blur

### The Competition:

X-Club

NCM

ATO

Chi Psi

# Total Domination

## This is How it's Done Folks:

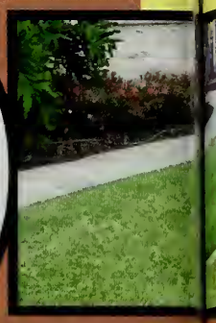
## Watch and Learn

This year proved once again that Rollins has an incredible array of talented performers in its mix. A fantastic blend of acts from fraternities, sororities, and the Rollins Players made for a night to remember. The entertainment was full of spontaneity, enthusiasm, excitement, and lots and lots of good humor! Lip Sync is the most attended event on campus, so if you missed it, you should probably mark your calendar for next year! It's a guaranteed good time!

## The Winner: ΑΟΠ

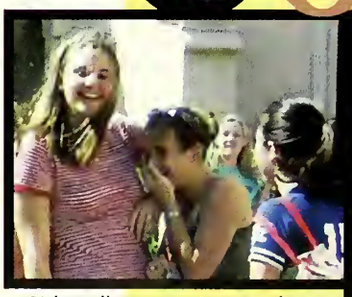
1st Place: Alpha Omicron Pi earned it for their fantastic rendition of "Boy Band" and pop hits including songs and dances from New Kids on the Block, NSync, Brittany Spears, and the Backstreet Boys. The AOPi girls had their choreography down pat and the judges were very impressed. Quite a bit of hard work and practice went into this performance!

Our furry friends. What *would* we do without them?



# Just Any Other Day @ Rollins College

There are certain scenes you just can't miss when you walk around this beautiful campus. Students, teachers, and visitors alike can encounter sights like these on a daily basis. Which ones are typical for you?



Sidewalk entertainment keeps students in good humor between classes.

Ever get the feeling somebody's watching you? It's probably some prospective parents and students on a campus tour.

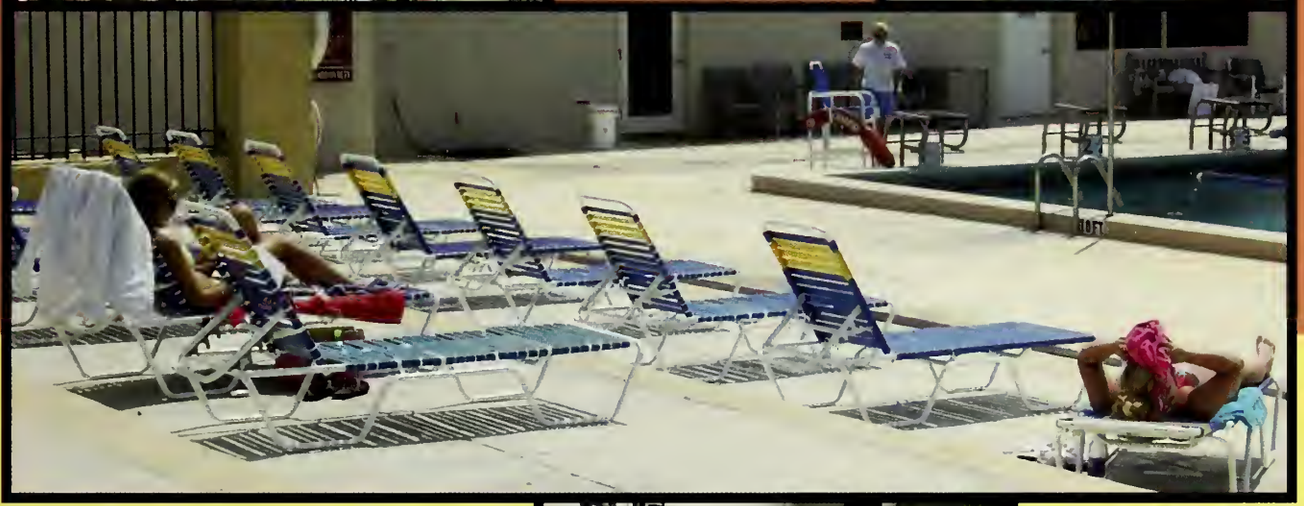
Common Rollins school spirit; Subtle, yet dignified.

The mail room. Our only communication with the outside world. Do you think he has a package?

Scooter Mania. It's the only way to get around campus in style.

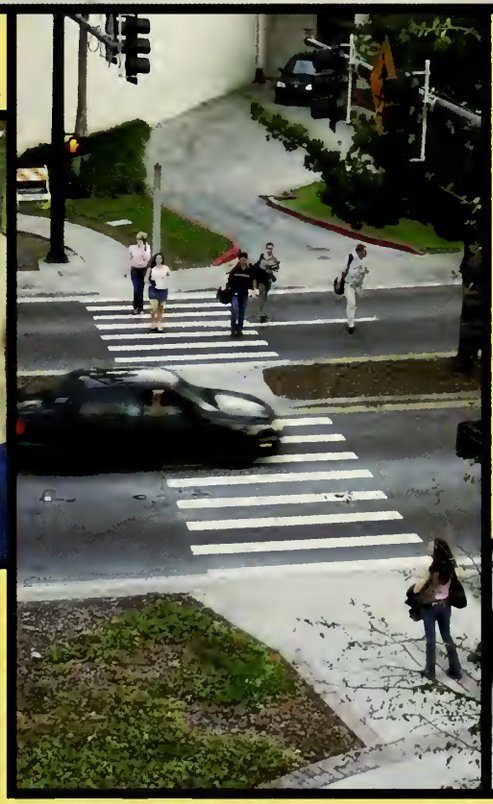
Where is *your* cell phone?

Tried the daily specials lately?



The pool is a great place to soak up some sun and enjoy the luxuries of our beautiful campus.

Everybody always wants a sandwich or wrap.



Walk, don't run across Fairbanks!

Sail boats on the lake can be seen almost every day.

It's a bird... It's a plane... NO... It's a golf cart! Grow eyes in the back of your head. These things move swiftly.

# A short BREAK

# The

Friends spent the break meddling in water sports.

Jonathan Crawford takes a dive in the lake.

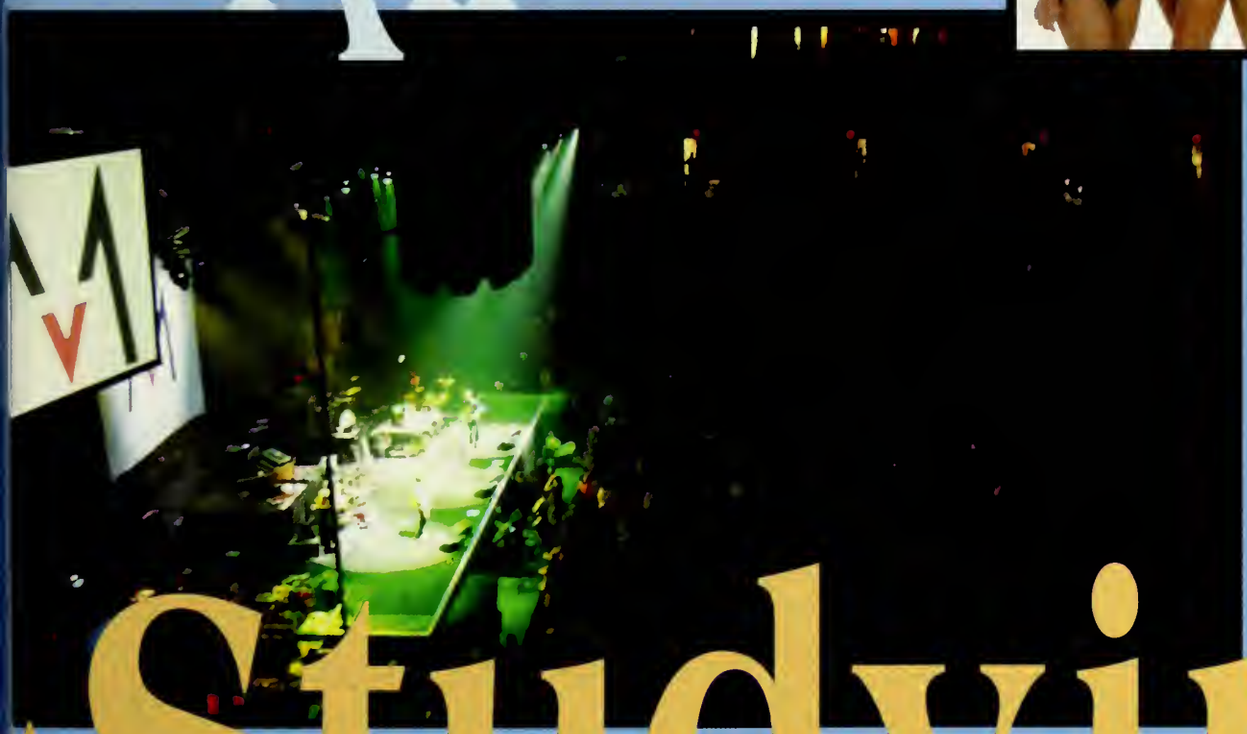
David Dwyer, Chris Cerroni & Ben Owen make a splash in the Bahamas.

Molly Lehnhardt, Katie Horgan, Carly Rothman, Julie Holmes, Joanna Leung, and Kimberly O'Brien catch some rays at Jensen beach.

Amanda Eagle & Shivali Patel enjoy a night at the Baja Beach Club in Ft. Lauderdale.

# From All Studying

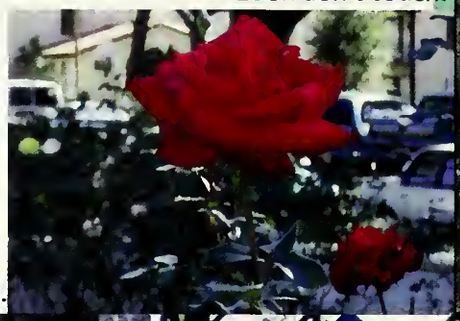
Michelle Andrus, Chrissy Cardinell, Tara East, Eva Krystoff, and Sophia Pereira enjoyed sunny beaches in Panama City.



Several Rollins students traveled just a few hours away to see a Maroon 5 and John Mayer Concert in Miami.

One of the millions..

Emmaculate roses.
Look don't touch!



A group studies on Mills Lawn.

A beautiful day spent finishing homework in front of the Cornell Campus Center.

Serene settings are everywhere on campus.

# Supporting Academics

The Rollins is ranked by the U.S. News in "America's Best Colleges 2004" as one of the best private schools in the South. Our student/faculty ratio is 11/1 and 71% of all incoming freshman are said to have been in the top 25% of their graduating high school class. Therefore, students have high standards of excellence in this challenging liberal arts environment. Rollins works diligently to shape students into well rounded and intellectual individuals in order to prepare them for a successful future. Welcome to Academics.

# Foreign Languages

The foreign languages department is home to students studying French, German, Russian, Spanish, Italian, and Portuguese. Students work diligently to master the languages through verbal, written, and reading exercises that get progressively harder as they become more proficient. The final step in learning a language is to visit the country where it is spoken. The Rollins College Office of International Relations is in charge of sending students to various countries to study abroad. Students learn a significant amount about cultural and language from these incredible trips. Many students have admitted to having life altering experiences while studying abroad. Rollins offers expeditions to Costa Rica, the Dominican Republic, Sydney, Trier, London, and Spain.

Language students, Felipe Almeida and Odile Perez, present their excellence awards.

Casa Iberia is the second home to the Foreign Languages department. Professors utilitze the building for offices and student learning centers. Hauck Hall is located adjacent to Casa Iberia.

Getting together...

...to talk about...

...foreign languages!

Rollins students pose at a convention for the foreign languages department.

Students and faculty enjoyed a party in the Casa Espana. The foreign languages department is often viewed as one big family.

# STANDOUTS

Ryan Slauter won the "Howard Fox Literary Prize." This prize is awarded to seniors who have produced the best pieces of literature based on originality, human interest, and craftsmanship.

Sarah Moore won the "Arden Goettling Academy of American Poets Prize" for the best work of poetry by an undergraduate.

Our beautiful campus is often used as inspiration for poetry writers. Even if the campus itself doesn't inspire students, it certainly does provide several gorgeous spots to sit quietly and write.

# English ROCKS

The study of English reflects the spirit of the liberal arts by teaching students to read, think, and write clearly and analytically. Responding to literature enables students to understand the agonies and triumphs of the human condition and the creative endeavors of the human imagination.

The study of English also has practical applications, for students are encouraged to develop skills of analysis, synthesis, and communication, which prepare them for successful careers and meaningful lives.

-Courtesy of Rollins College English Website

This year the English program sponsored the Rollins College "Winter with the Writers" in which famous authors were brought in to read and discuss literature with the students. Some of these authors included Kaye Gibbons, Sena Jeter Naslund, Silas House, and Diana Abu-Jaber.

Every year the student-run Brushing Literary and Art Journal showcases exceptional poetry and short stories written by students. The English department supports Brushing because it gives students an outlet in which to publish their works.

Orlando Hall is where it all happens.

Plans for the improved music building will include a new auditorium and new soundproof practice rooms.

Doc (far left) and students take a break from touring, finding rest on park benches at the Mall in DC.

# music

The music department continuously provides the community with outstanding music...and they have fun doing it. As always, there are numerous concerts throughout the year put on by student ensembles and faculty members. The highlight of the year for many students was the chamber choir and orchestra tour to Washington DC over spring break. Under the leadership of Doc, these men and women braved the weather and interminable bus rides to share their gift with eager listeners in our nation's capital.

The close-knit group that inhabits Keene Hall is filled with excitement over the planned renovations. A groundbreaking ceremony this spring unveiled the expansions set to take place; music students and staff couldn't be happier about the changes. Better practice rooms, classrooms, and new performance areas are among the amenities of the new building.

Musical Theater members featuring the best of Rollins vocalists perform in the Rogers Room.

Music faculty show excitement at the ground breaking ceremony.

Students take a break from performing on their DC trip to see a few sites.

The orchestra and choir performed at the groundbreaking ceremony for the new music building. Rita Bornstein attended.

# Science vs. Math

by Stephanie Hanisak

Bush Laboratories are continually updated with modern equipment. Besides these common beakers, a liquid scintillation system, research quality UV/visible spectrophotometer, high-speed ultracentrifuges, and a phase contrast digital microscopy imaging system can be found in our laboratories.

The Bush building is home to the geniuses. Majors in biology, biochemistry, chemistry, computer science, environmental studies, mathematics, and physics are all offered here at Rollins. One of the distinguishing characteristics of the Mathematics Department is its commitment to quality teaching, which promotes active learning on the part of the students. The department has been involved in the calculus reform movement since its beginnings and as a result, non-lecture methods coupled with technology are used in many classes. Most science courses are worth six credits since they meet three to five times a week. A four-hour weekly lab is also required. Science majors are serious about school.

Photos by Sean Eller and Luke Lord

# Battle of the Geniuses...

Katie Young works on a math problem before her chem lab begins.

Professor Eng-Wilmont, known to most as E.W., completes a lab check out on the last chem lab of the year for his general chemisty class.

Freshmen, Melissa quickly removes all of her materials needed for this week's chemistry lab.

Science Professors take a bow!

# THEATER = Life

Makeup and costumes add finishing touches to an actor's character.

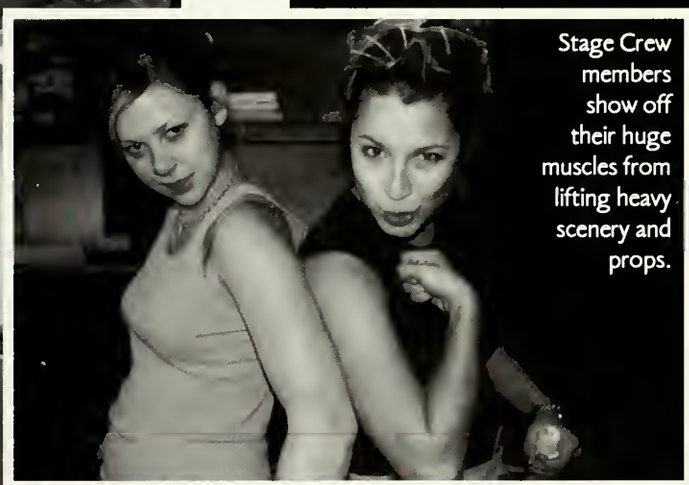
## To Be Or

Two studly actors pose with their Professor and mentor.

The shop crew builds a structure that will serve as large scenery on the set.

# Not To Be...

Creating fake tatoos using black marker seemed like a great idea at the time.



Stage Crew members show off their huge muscles from lifting heavy scenery and props.

Sarah Moore (center) and fellow theater students have a laugh at the camera-man.

## Performances of the 2003-2004 Season

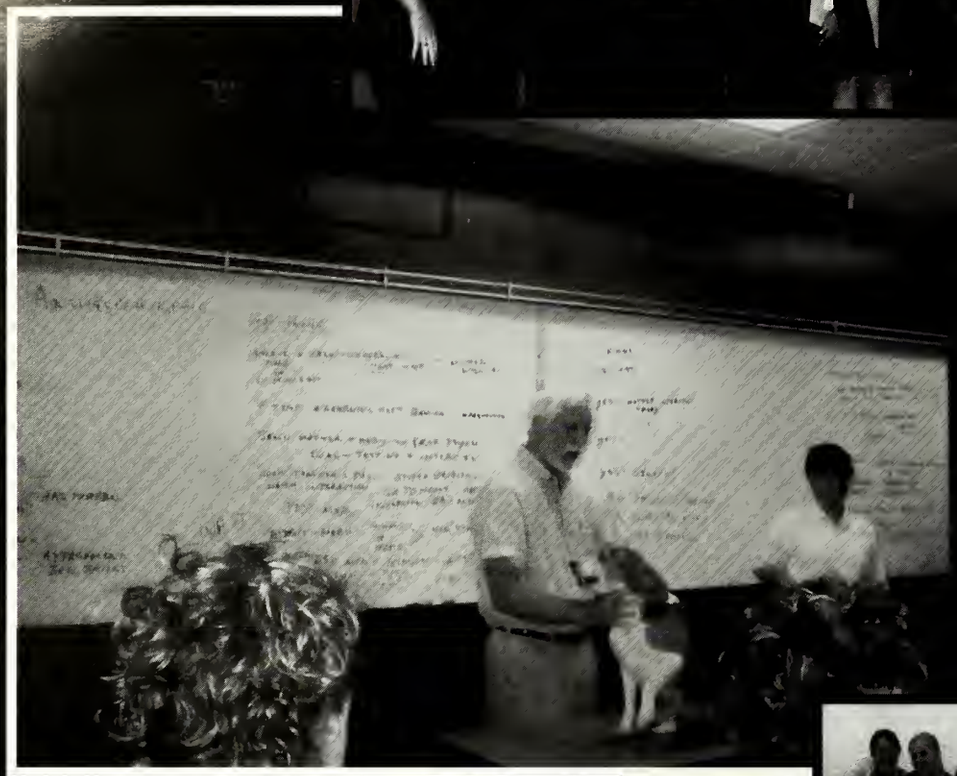
### Fred Stone Theater:

The Shape of Things
New Works
Proof
This Is Our Youth

### Annie Russell Theater:

Noises Off
Edward Albee's "The Zoo Story" and "The Sandbox"
The Triumph of Love
Babes in Arms

The National Honors Society for Psychology (Psi Chi) had their Inductions this Spring.



Dr. Ray teaches a class with a very special guest. No animals were harmed in the making of this psychology lesson.

It is important to study animals in order to help understand ourselves. This little rat was not harmed.

Psychology students learn about nature during a boat tour across Lake Virginia.

# Studying Hu

Who ever said that gambling would never teach you anything!

Dr. Hunt shows the students the physiological ropes of psychology.

Students learned about job opportunities at the psychology career fair.
Left: The annual psychology bowling tournament was a blast!

# man Behavior

Below: Corey Gregory reviews important documents for her workstudy.

# Hard at Work

No matter where you go on campus, you'll always find students working hard. From photographers to theater shop workers, students are tenaciously fulfilling their academic agendas in and outside of the classroom.

Photo by Yvette Kojic

Kelly Crooks snaps a quick shot of the Rollins campus.

The theater shop crew flattens out sand for the Edward Albee play called "The Sandbox." Theater majors spend long hours making scenery for plays.

# art

It has been another busy year for the art and art history departments. By the end of the spring, student art piled high in the studio classrooms and art history majors frantically turned in their thesis papers. There were several great shows throughout the year including the Assorted Flavors exhibition in the museum and the Senior Art show in the Cornell Campus Center. The Cornell Fine Arts Museum, adjacent to the art building, is currently undergoing intensive renovations to increase its size and better its preservation capabilities. Art students and faculty members cannot wait to see the final result.

Holly Hoffman, Ashli Gagliano, and Anthony Evans pose in front of a collaborative piece they created in the fall of 2003.

Above: Art History Professor Susan Libby discusses student artwork at the Senior Art Show in the Campus Center. Right: Sally Woods and Ashli Gagliano attend a talk by artist Everett Raymond Kinstler in the Cornell Fine Arts Museum. Kinstler has painted hundreds of portraits of famous people, including George Bush, Katherine Hepburn, and our own Rita Bornstein.

Above: During the Senior Art Show, Ginelle Morales receives many compliments on her incredible drawing of the male figure.

Rachel Luce admires student art in the Campus Center.

Unusual works in the sculpture room catch the eye. New sculpture professor Samantha Turner encourages students to think outside of the box.

Above: Students observe unique artwork at the Assorted Flavors exhibition at the Cornell Fine Arts Museum. Right: Students prepare to critique their final projects in a Drawing and Composition class. Natalie, a foriegn exchange student from Hong Kong, carefully pins her artwork to the wall.

# Photo hall of fame

All shots were taken by Rollins photography students and yearbook staff members.

The discipline of photography is all about capturing moments in time. Certainly photos are the foundation for countless books, magazines, the internet, and even this yearbook. Without the invention of photography, history would be viewed quite differently and our lives would lack a certain sense of imagery. However, as much as photos are symbols of our past, they are also inspirations to the art world. When taken in just the right way, a photograph can convey a message to the viewer that encapsulates a feeling or mood. Something amazing always tends to happens in that split second flash. Many times an event that goes unseen is revealed in the print. Photos have a way of establishing more than just a memory. How do these photos speak to you?

# Student Highlights

Academics may be at heart of Rollins, but even the best of classes amount to nothing without the students that make them worthwhile.

Impossible as it may be to talk about all the people that accomplished amazing things this year, the Academic Awards Cermeony managed to honor many of those students that stood out above the rest.

Elizabeth Molly Tanzer
The Sojourner Truth Award for Combined Academic and Activist Work in Women's Studies.

Keira Keeley
The Fred Stone Theatre Award for demonstrating outstanding talent in a student-directed production.

# THE FOX IS UNEX

# FOX DAY '04

It was early in the morning and you heard some excitement outside your door. A few minutes later you get "the call" you have been waiting for all semester. Your friend screams into the phone "It's Fox Day! All classes are cancelled!" This is the one moment at school when you are shocked, excited, eager, impatient, and relieved all at the same time. This long Rollins tradition never gets old.

Rita Bornstein picked Tuesday, April 6th as her final opportunity as President to place the faithful Fox on Mills Lawn. Once the word got out, people threw down their books and started packing for the beach. Close to a third of the school showed up at Rollins' reserved section of Cocoa beach where a huge social extravaganza ensued. Those not at the beach, were just as happy to have a free day to sleep, finish homework, go out, run errands, and most importantly to be as far away from class as possible! Thanks Rita, for another fantastic Fox Day!

Many students chose to stay away from the beach crowds and enjoy Rita Bornstein's wonderful picnic on Mills Lawn.

Rollins students filled the beaches with their Fox Day excitement.

One student made sure to play it safe in the ocean with goggles and floaties.

# BACK AND...

This was just another day at the beach for Brad Carlson.

Jacko Strazzeri waits for the perfect opportunity to slide across the rolling surf.

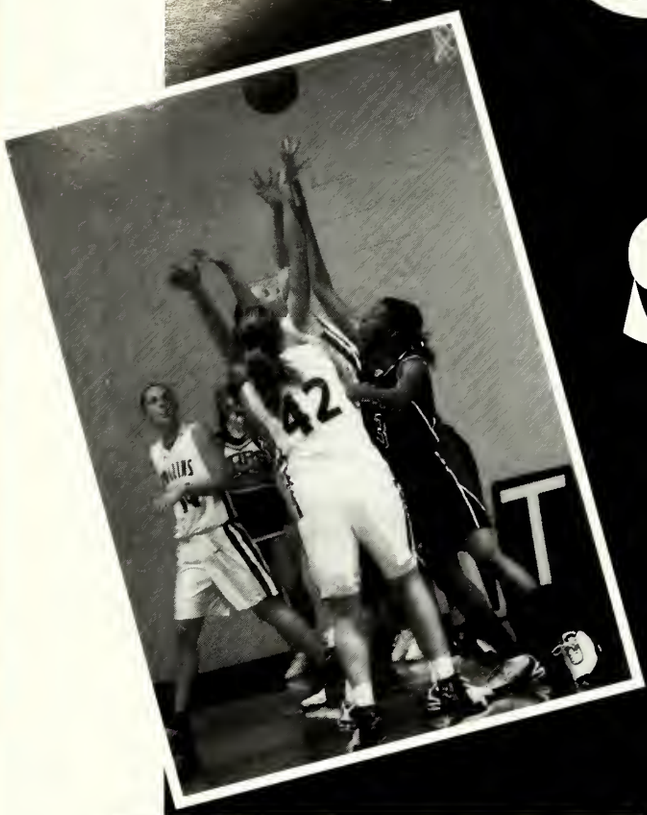
# Sports

GO TARS! Athletic prowess is highly esteemed at Rollins. Whether you like to run, swim, golf, or even water-ski, there's a sport here for you!

## Playing

Rollins has won 18 National Championships and they are consistently ranked within the Sunshine State Conference and the NCAA Division II. Most recently a new set of towering bleachers have been added to our soccer field. Go enjoy a game or two in style! Welcome to Sports.

# He shoots... she scores!



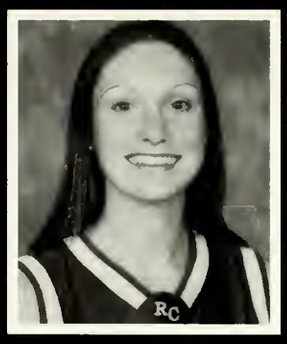
The men's team ended the season with a 27-6 record, which makes this season their best in history. They were SCC regular season champs, and advanced all the way to the elite eight on the NCAA tournament. During the early rounds of the NCAA tournament, the Tars avenged their loss to Eckerd in the SCC tournament finals by beating them 77-54. They received an at large bid to the NCAA tournament. In Valdosta, Ga they advanced to the Elite Eight for the very first time in school history by beating Montevello 75-63. Their season was ended by Metro Stat, who beat the Tars 88-54. "They were able to force us into an outside game," said junior center Placide Muhizi. "They forced us to take outside shots and didn't let us get inside." With the loss of only one player, Chad Dirks, next year's team has a lot to look forward to.

The women's team finished with a record of 29-4. On top of being SSC regular season champs, the lady Tars were SCC tournament champs and advanced to the NCAA South Regional Final game. Joslyn Giles help lead the team with 10.3 points and 6.3 rebounds per game.

Larissa McDonough and Jennifer Catti fight for the ball against Tampa (above). Teamwork paid off for both the women's and men's basketball teams this season. Team picture of the NCAA Southern Regional Men's champions (middle). Team picture of the SCC regular season and tournament champions (bottom).

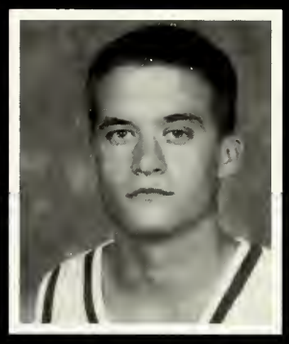
Entering his 24th season at the helm of the Tars program, the NCAA II version of "Coach K" ranks 18th among active NCAA II men's coaches with 394 wins.

Chad Dirks saves the ball from being stripped during a game against Tampa. The Tars won the game 69-57. Senior Chad Dirks finsihed the game with 13 points, 8 rebounds and 1 block. This win placed Rollins at the top of the SCC conference.



Mary Lou Johnston

Senior Mary Lou Johnston led the women's team in assists, steals, minutes played, and three point percentage. She ended the season with 109 assists, 101 steals, and averaged 27.9 minutes per game.



Eric Faber

Eric Faber led the men's team in points per game, assists, steals, and minutes played. He ended the season with an average 16.2 points per game, 215 assists, and 68 steals. Faber was also named to the all conference team.

Freshman Jennifer Catti drives to the basket in a game against Tampa. The lady Tars won the game 68-57. The win against Tampa clinched their ninth regular season SCC championship and their fifth in the last six years. Josylin Giles lead the lady Tars with 13 points. The lady Tars ranked ninth in the USA Today/ ESPN coaches poll, which was definitely one of the many high points of the season.

# TIME OUT to the ball game...

Far right: Jamie Elam led the pitching group this year with a record of 35-13 with a 1.0 ERA. Right: Gator Brooks looks to strike out a batter from the opposing team.

Left to right: Seniors David Pringle, Steve Edsall, Dennis Cavilla, Toby Rice, and Tito Alfonso contributed greatly to the team's success.

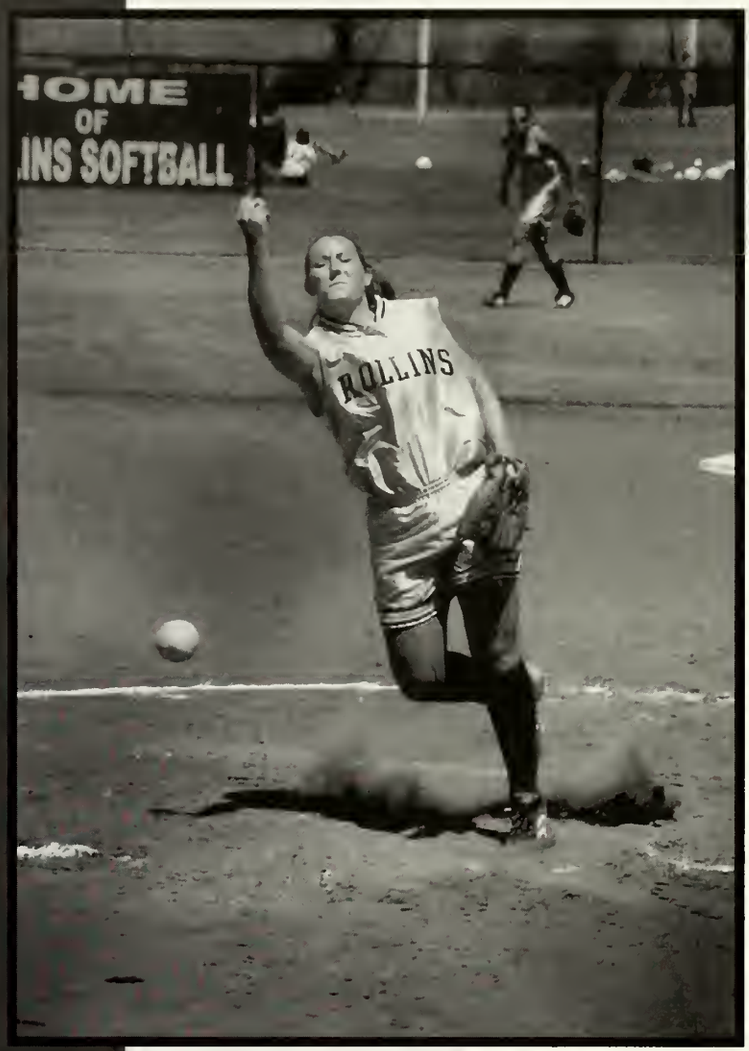
The men's baseball team had one of the best seasons in school history in 2004. Not only did they win a school record of 48 games, but they also won the Sunshine State Conference Championship, the South Regional Title and finished fourth in the NCAA division II championship tournament. Solid hitting and great pitching were the trademarks of the Tars this year.

The women's softball team ended their best season in program history with an overall record of 42-16 and a conference record of 16-5. Their final ranking of 17th in the nation for the NCAA division II was the highest ranking in school history for the women's softball team.

Both the men's and women's teams did exceptionally well this year. Dedicated players and awesome coaches proved to be a winning combination for the Tars.

Jen Horsch and her teammate trap a runner from making it to home plate. The runner doesn't have much of a chance.

Tito Alfonzo waits for a play. You have to be quick at short stop.



Stacy Sanders throws a ball infield. Stacy was a vital member of the women's team this year.

Allison Schutes steps up to the plate in the hopes of getting a home run or making a double play.

The girls often come in for a huddle at the pitcher's mound. They hope to set up a play by guessing the batter's hitting potential. Split second reactions to a play are more precise if the whole team has an idea of what to expect.

| Men's Stats: | |
|---|---|
| Overall Record: | 48-12 |
| Conference Record: | 17-4 |
| Lead Hitter: Toby Rice | .376 avg. |
| HR Leader: Ron Baptiste | 10 |
| RBI Leader: Tito Alfonso | 46 |
| Lead Pitcher: Steve Edsall | 9-0 with 2.57 ERA |

| Women's Stats: | |
|---|---|
| Overall Record | 42-16 |
| Conference Record | 16-5 |
| Lead Hitter: Stacy Sanders | .375 avg. |
| HR Leaders: Stacy Sanders | 9 |
| Jamie Elam | 9 |
| RBI Leader: Stacy Sanders | 57 |
| Lead Pitcher: Jamie Elam | 35-13 with 1.0 ERA |

The men prepare for another game in the locker room. Sometimes this locker room feels like a home away from home for the men since they spend so much time there.

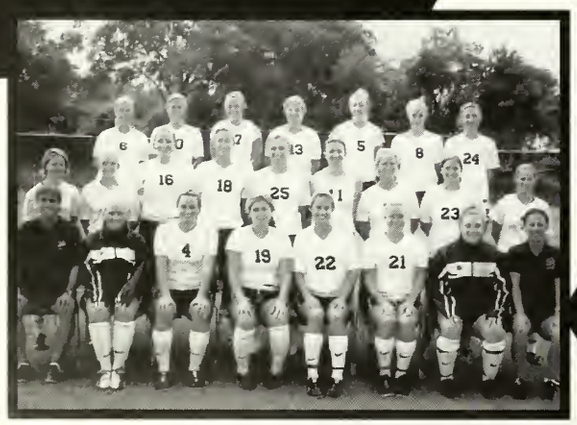
# Let's Get Ready To Rumble!!

Eric Vergati knows that concentration is the key to good ball handling.

The men's team finished the year 14-3-3 and advanced to the second round of the NCAA Tournament for just the second time in school history. It was a year of individual accolades for team members senior Justin Corrado and sophomore Daniell Robertson who were honored as NCAA Division II All-Americans. Head coach Keith Buckley was named South Region coach of the year.

The women's team had their best season in school history by posting a record of 13-6. The Tars advanced to the semi-finals of the Sunshine State Conference Tournament and placed six players on the all-conference and all-region teams.

Freshman Juan Kusnir is an incredible midfielder who was named Florida Player of the Year in 2002.



The women's team was a strong opponnent this year led by coach Tony Amato.

David Pitt saves a ball from going out of bounds. Pitt was an offensive threat this season.

Forward, Alexis Sutton, makes a mad dash to retrieve a ball.

David Dwyer gets high off the ground to make a play for the Tars. David is a skilled and valuable defender.

Freshman Lindsay Taylor was a great addition to the team as a restless defender. She was a four year starter at Jupiter High School before attending Rollins.

Kelsey Simons gets tangled up with a player from the opposing team.

A fantastic season givs the men's team even bigger hopes for next year. The players were happy to have the guidance of Keith Buckley who was named NSCAA/Adidas South region coach of the year.

| Men's Stats: | | Women's Stats: | |
|---|---|---|---|
| Overall Record: | 14-3-3 | Overall Record: | 13-6-0 |
| Conference Record: | 4-2-1 | Conference Record: | 4-3-0 |
| Lead Scorer: | Chris Cerroni<br>11 goals<br>7 assists | Lead Scorer: | Laura Guild<br>8 goals<br>7 assists |
| Lead Goalie: | Justin Corrado<br>100 saves<br>Allowed 25 goals | Lead Goalie: | Fran Nicoloso<br>89 saves<br>Allowed 23 goals |

Midfielder, Whitney Chamberlain, battled through injuries last season but bounced back this year with an impressive energy.

# PADDLE HAPPY

The women's team pushes for a win in a heated race.

Junior Scott Leman was an asset to the Tars this season.

Coxswain Aubrey Wysocki encouraged the team throughout the year.

The Tars finished third overall in the Sunshine State Conference Rowing championships. The men's and women's varsity eights both reached the Petite Finals at the SIRA Championships in Oak Ridge, Tennessee. The men's varsity four had a strong early performance, but finished sixth in the C Final. The women's varsity eight finished second in both their semifinal and final race.

The women rowed hard and made a lot of progress this year. The team was led by head coach Shawn Pistor and novice coach Shayne Rowan.

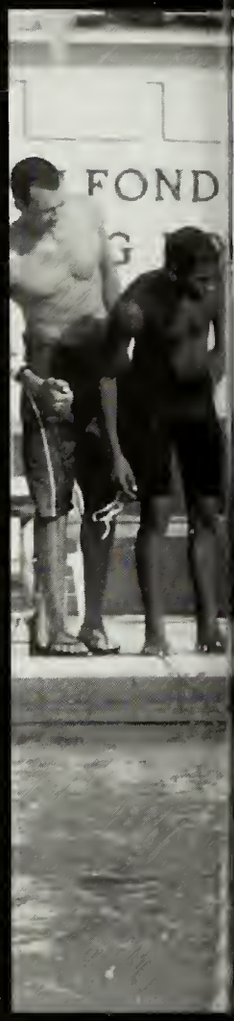
Aubrey Wysocki keeps the women in sync while finishing a race on Lake Virginia.

Twins and teammates Mija Gibboney and Meredith Gibboney stroke one behind the other.

The women strain to reach the finish line. To the right, the men move swiftly across the lake. Crew is a very physical sport that tests you on an individual level.

The men use all their strength to catch up to another team. The coxswain yells for the men to row in coordination with one another. Right: The men's team was led by coach Shawn Pistor and enjoyed an eventful season.

# JUST DIVE IN



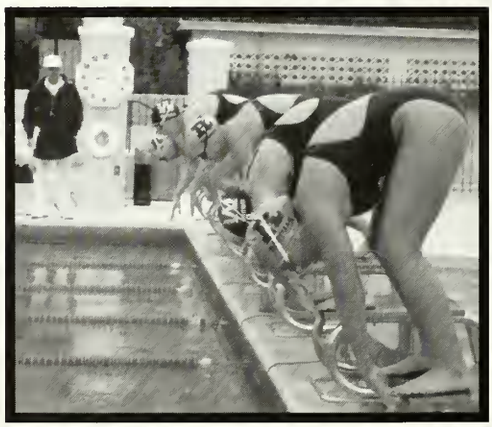
Rollins swimmers root for their teammates in a very close competition. The excitement is almost too much to handle!

Anthony Flynn

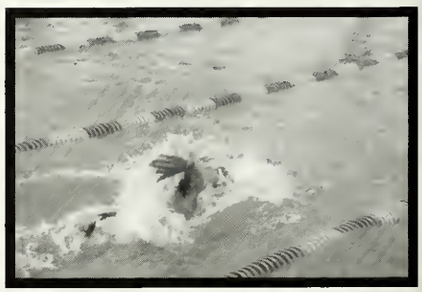
Maxime Hofman

The Rollins swimmers claimed the combined team championship at the Sunshine State Invitational. Twelve school records were set in one day at the Bluegrass Mountain Conference Championships in Wooster, Ohio. Eight individual men's records, two individual women's records, and two women's relay records all fell. The women's team placed sixth among 12 teams while the men finished seventh out of 12 schools.

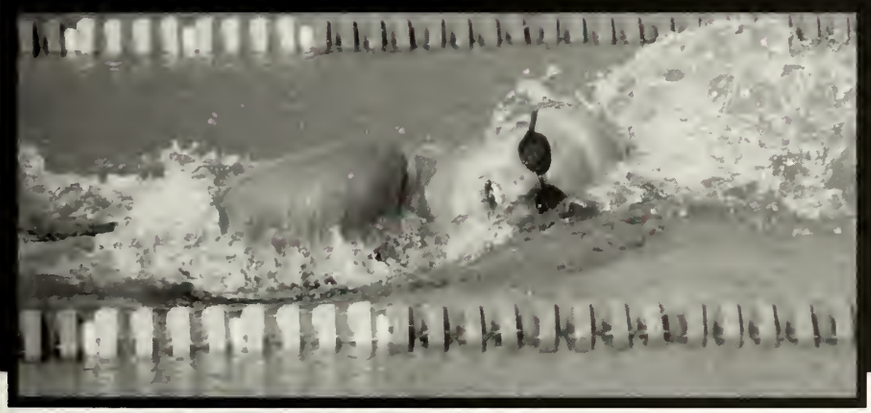
Above: Women's and Men's 2003-2004 team photos



Ready... set... GO! The women's team prepares for a race.

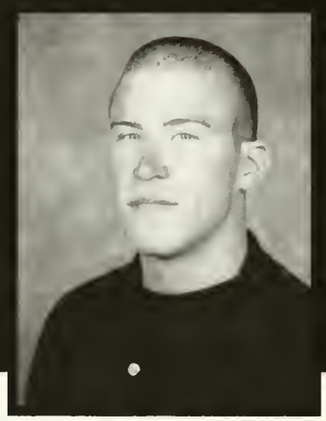


Swimmers use their whole body to move through the water as fast as possible.



Left: Katie Siegal rocks the house in the 200 free relay.

Right: Senior John Lane was a huge help to the men's team this year, contributing great scores and encouraging his fellow teammates during races.



School record breaker Kyle Thompson is quick to dive in for a race. Thompson is a lead freestyle swimmer for Rollins.

# Miles *To Go*

Whitney Wismar

They run. A lot. And while it may lack the intricate plays or last-second goals of other sports, the men and women of the 2003-2004 varsity cross-country will no doubt testify that it's just as intense. With five major races in the fall, this years team has demonstrated its stamina and endurance to everyone. In the overall SSC Championships, the men's team placed 4th and the women's team placed 5th.

The 2003-2004 Men's and Women's Cross Country team photo with Head Coach Brad Ash. First row is men's team, second row is the women's team.

Far left: Senior Cross-country team member, Matt Harris, strives for the finish line.

Left: Freshman Sarah Swiss gave every race her all during the '03 season.

Right: Matt Mulling proved to be a valuable member of the team.

Cross country runners know the road all too well.

No walking allowed. Marathons are cool. Bring it on!

# TO THE GREEN

Freddie Seeholzer decides which club to use for her next shot.

David Cosper lines up the perfect putt. The crowd is silent. No one can break his concentration.

The right form is crucial to a skilled golfer. Even the slightest tilt of the wrist can make a difference.

Following last years impressive season with a national championship for the women and NCAA runners up for the men, the Tars golf program showed what they're made of again this year. The women won the NCAA regional once again and the men had a strong showing.

The continued success of Rollins golf shows the hard work these student put into practicing and also shows just how seriously they take the game. Each member contributes all they can to the team and their diligence certainly pays off. Congratulations!

The mens team had another impressive season.

The women's golf team has reason to smile with all the success they've seen on the course this year.

# Fore!

Charlotte Campbell was the 2003 & 2004 NCAA Individual Champion and the 2004 SSC Tournament Individual Champion.

Above: Dan Walters tied for 19th place at the NCAA Regionals this year. He's been a strong player for the Tars. Right: Senior, Tim Sunyog, makes par and is one of Rollins' top players.

# GAME, SET, MATCH

Drew Sipka

The Rollins women's tennis team defended their home turf and captured the NCAA Division II Southeast Regional championship with a 5-2 victory over conference foe Florida Southern on Saturday. The Tars were ranked fifth in the nation, won the Southeast Regional Championship, and finished the season 18-9.

The men's tennis team had another excellent year. They won the SSC title and ended their season with a loss in the national championship semifinal match. They finished their season ranking fifth in the nation with a 24-5 record.

Sometimes players have to get low to the ground to complete the play.

Both the women's team (above) and the men's team (right) had an outstanding year each ranking #5 in the nation for best overall record.

# Rollins College Athletes of the Year: Forever Champions

Junior, Jamie Elam, is a right-handed dominating hurler who is expected to carry most of the Tars' workload on the mound in 2004. She has the talent to be one of the best pitchers in the Sunshine State Conference in the next two seasons. She was a two-time NJCAA Third Team All-American at Northeastern Oklahoma A&M in Miami, Oklahoma. She went 44-5 with a 0.56 earned run average for the Lady Norse during two seasons. She also earned All-Region First Team honors twice. Elam was a four-year starter in softball as a pitcher and shortstop at Caney Valley High School as well as the Small East All-State pitcher her senior year and All-Area MVP. She made All-Area first team selection three times and second team selection once. She helped Caney Valley to state quarterfinals during her freshman and junior seasons. She was a four-year letter winner and a two-year starter in basketball as well as a Member of National Honor Society and Phi Theta Kappa Honor Society.–**Text Courtesy of the Rollins College Website**

## Jamie Elam

## Carlos Custodio

Custodio is a two-time All-American who went 15-7 for the Tars in 2003. He has the ability to come up with big wins and has ended his Rollins career as a champion. Cutodio went 6-2 during the fall season and advanced to finals of the Varner Invitational and the semifinals of the ITA/Omni Small College Southeast Region Tournament. The last two seasons Custodio has been the sixth-ranked singles player in NCAA II. Custodio has been twice named to the All-Sunshine State Conference First Team as a singles player. He teamed with Mark Thompson last season to earn All-SSC First Team honors. The tandem went 13-3 and they were the sixth-ranked team during 2003. Custodio won the conference Player of the Week award twice during 2003. As a sophomore he went 18-2 in singles competition and beat the NCAA II top player on two occasions. He is a former member of the Brazilian junior national team. Custodio has been ranked as high as 485 in ATP singles play.

# Make a Splash

Jay Damianos shows off his skills. Damiano used his spring break to practice.

Photo courtesty of Carter Taylor.

Sophomore Michelle Simpson takes on Lake Virginia. She leaves a jet-like trail of water behind her.

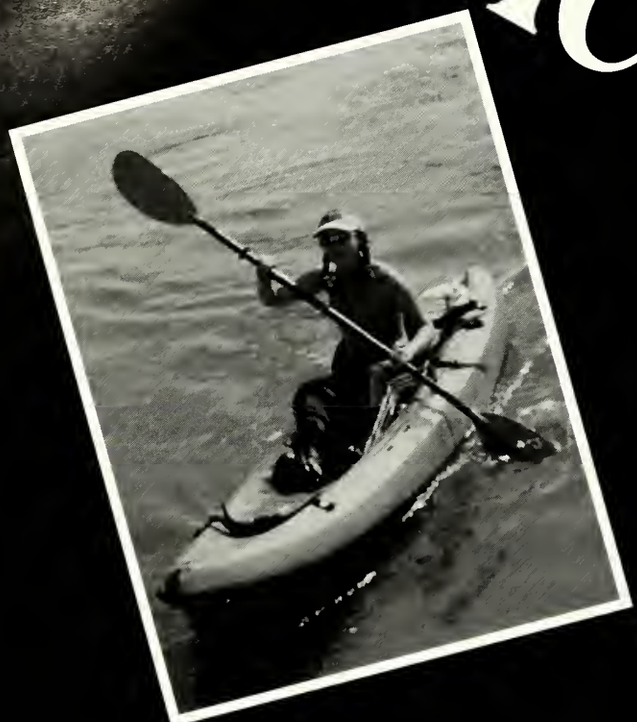
The Rollins College water-ski team utilized the individual championship of Tarah Benzel (Groveland, FL/South Lake) and strong finishes by the rest of the team to claim the Collegiate National DII Championship for the second year in a row. The water-ski team previously won the national championship in 1989.

The sailing team's best result of the year was finishing first among six teams competing in the South Points #5, which was sailed on Lake Virginia. The Tars had 28 total points, followed by Eckerd College with 33 and Florida State with 40.

Freshman Maggie Rhodes is a skilled sailor and an important member of the Rollins team.

Rollins College has had one of the top water ski teams in the US for the past 30 years. Keep up that water-ski tradition and winning legacy!

# Let the Games Begin



Bowling Team Champion, "Bowling Poon" are pictured above. Members included Ben Munson, Dani Robertson, Jordan Caylor, and Justin Corrado.

The Intramurals sponsered a day long kayaking trip to the beach. Students were allowed to kayak in the Atlantic Ocean, but many spent time soaking up the rays and swimming in the beautiful water.

This year's intramurals were tons of fun. Students participated in events ranging from kayaking to bowling to volleyball to kick ball. Although athletes were not allowed to compete in their own sport, many chose to compete in new sports. The coed Kickball team from ATO consisted on a few varsity soccer players. Intramurals also spent time traveling. Kayakers travelled to the beach to experience kayaking on the ocean vs. the lake. Inramural sports included soccer, volleyball, kickball, kayaking, flag football, tennis, bowling, the ultimate challenge, and basketball. If there is not a sport for you, than you can come up with your own and get students to particpate next year.

A volleyball tournament , hosted by the intramurals, allowed RCC classes the chance to compete against each other in a little friendly competition. The winners of the RCC volleyball competetion was Dr. Smyth's Team.

RCC teams used Friday's meeting time to practice, and some teams even made shirts. This competition was taken very seriously. The actual tournament was split between the McKean and War courts.

The Ultimate challenge included a canoeing portion (above). The Ultilmate Challenge tested physical and competetative strengths. The winners of the coed division were the "ROCers" (middle). The winners of the men's division were the boys of TKE, who can be seen here stricking a pose (bottom).

The new field and stands are a breathtaking sight. The sod is as well taken care of as our athletic teams. Enjoy the grass now because once soccer season starts, it won't look as pretty.

Here is a sight for sore eyes. The field was quite a work-in-progress for most of the Spring semester.

# Built 2 last

Daniel Robertson

Lindsay Taylor

The Cahall-Sandspur Field is home to the men's and women's soccer teams and traces its history back to the turn of the century when it was used by the school's baseball and football teams. Today, its primary use is for soccer.

The field went under intense construction in the spring of 2004. The old stands were ripped out and replaced by a shiny new structure that has a higher holding capacity and even provides shady areas for fans to sit and enjoy the games. For a short time the soccer team had to practice elsewhere. Early in the construction process, students and faculty were shocked to see the entire grassy field ripped apart and re-leveled. Currently fresh new sod awaits the re-entry of our soccer player's cleats. The Tars are eager to return to their beautiful new home field.

The old stands were often overcrowded and it was difficult to see the games at such a low level. Now that the stands are above the ground, the audience can have a better view while enjoying more comfortable seats.

# SCHOOL SPIRIT

The Rollins cheerleading program is committed to school spirit and its role of supporting varsity athletics. The squad consists of 12-16 all-women members and cheers for Women's and Men's Basketball, attending both home and away games in the Sunshine State Conference.

Jaslin Goicoechea reaches for the stars. Photo by Yvette Kojic.

There was a lot to cheer about this year with the success of the sports teams. Men's basketball had one of its best years for attendance.

# GO TARS GO!

The girls perform at half time for the basketball crowds. Lifts, flips, and cheering help energize the audience.

The team is led by head coach, Bess Auer, with the help of student assistants, Joy Buendia and Geoff Cox.

Bethany Turk was an especially spirited member this year. Cheering for the Tars is exciting and rewarding.

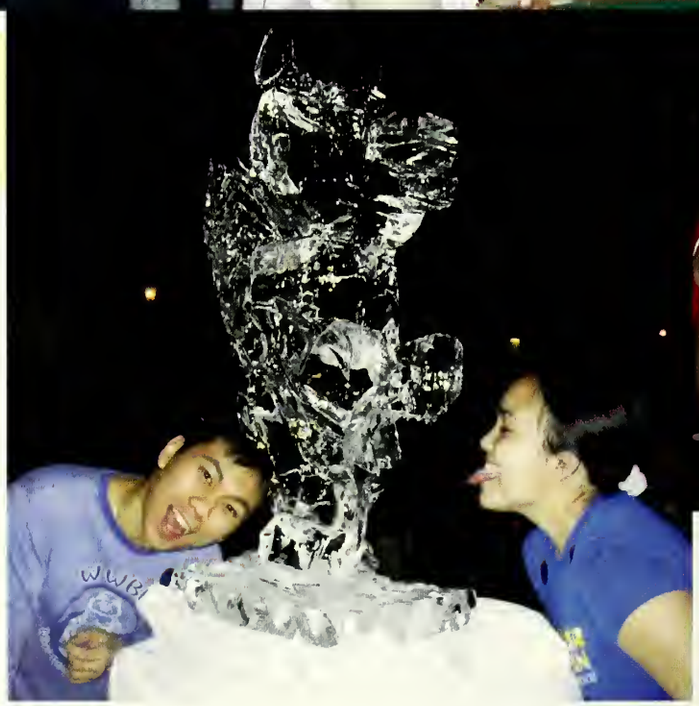
Sara Shaw makes crafts with an underpriviledged child at Holiday Funfest.

Son Ho and Sarah Ledbetter share a serious SGA moment.



Heather Foss represents "All Campus Events" at the Student Activites Fair during Orientation.

# Participating in Student Organizations

Student organizations are everywhere on campus! From the Cultural Action Committee to the Star Trek Club, almost any student can find a group that fits their liking. Not only can students meet people and participate on campus, but they can also work to make a difference in their college community.

A large percentage of Rollins students are involved in these organizations. Since Rollins is a smaller school, the clubs also provide leadership opportunities to anyone with the desire to step up. Welcome to Student Organizations.

## What Are They About?

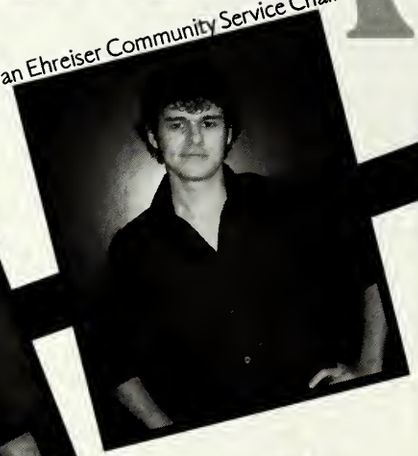
SGA provides a sound democratic student government as a participant in the decision-making process of college life. It promotes the welfare of the student community by providing an avenue for student expression, social interaction, cultural awareness, and student services.

-Mission stated on Rollins Website

Matt and Erin came to support Selena at her dance performance. Lasting friendships are formed through SGA.

# SGA

The student government association works hard to bring a youthful element to various student activities at Rollins. The group continually has meetings to discuss how the student body should be represented in conjunction with teachers and other faculty. This was a great year of leadership and change.



Dan Ehreiser Community Service Chair

Pierce Neinken - SAFAC Chair, COL President

Son Ho - SGA Vice President, Senate President

Sarah Ledbetter -SGA President, Exec Committee Chair

Molly Lehnhardt: Editor-in-Chief

Bethany Strunk: Work Study

With a new editor, new advisor, and mostly new members, this year marked a huge change for the Rollins College Yearbook. The office was redone, new equipment was added, and a total reorganization of materials and ideas were implemented to make for a better book. Dedicated and enthusiastic members put in long hours to make absolutely sure that quality photos and pages were produced. The yearbook isn't all work and no fun though! The staff took a trip to Borders Bookstore to get ideas from inspirational magazines and books to use on their pages. They also visited their publisher's house for a Panera catered party. Early in the year Molly-Editor and Jackie-Advisor went to Dallas, Texas for an amazing yearbook convention that spanned four days. After returning energized and excited, they now hope to take the entire staff next year, as long as the budget permits. All in all it was a great year of living and learning and making lasting memories for Rollins College students.

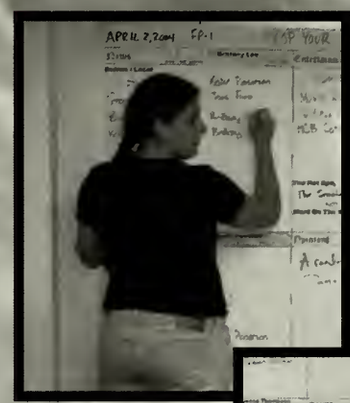
# WHAT IS CONTROVERSY?

# SANDSPUR NEWSPAPER

Sandspur photographer Cora Hardin observes a crowd after a newspaper meeting on the Sandspur's balcony.

The Sandspur newspaper is always moving and shaking with the times. They cover local, national, and important Rollins news to keep students updated. A fast paced schedule and weekly deadlines keep them on their toes from day to day, but this incredible rush is half the fun of being on the staff. Editor-in-Chief, Robert Walker, expects only the best stories from his staff members. Some stories this year may have been controversial; however isn't that what newspaper reporting is all about? Life is controversial and Rollins is proud of its smart and fearless newspaper.

Editorin-Chief Robert Walker enjoys a break after a hectic staff meeting.



Caitlin Geoghan

Brittany Lee

**Editor-in-Chief:**

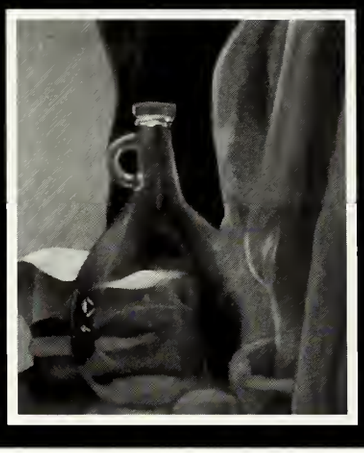
Staff members use computers and white boards on a daily basis. It is important to keep things organized when there is a publication due every week.

# Speaking Through Poetry & Art

# Brushing Journal

"Monochromatic" by Sally Woods



## advice to young poets

Sarah Kathryn Moore

shut down logoff take these bitter thistles
and go. we are weary. we're you know
overlooked and underrepresented
and there's room for no more.
pack up, close down. the words are all
already out there—they've all been said
or sung before. you're not the first
to war for oneness. you're not the first
to fight to fill the hole with holy.
you're not the first
to whisper words into your dumbstruck
lover's
shellshaped ear. shut up. drift off.
we're all already heard your words
over and over
before.

"Mysterious" by Vanessa Sain

The Brushing Literary and Art Journal has always been a great outlet for creativity in the Rollins community. Through this incredible little publication, art and english students are able to showcase their great works for all to see. Editor, Myriah Hampton, has succeeded in finding the best of the best at Rollins College. After suffering some hardships at the beginning of the year with the loss of their computer, Brushing bounced back with a fantastic product. The photos and poems on this page are just a few of the works featured in the journal this year.

"Lily" by Ashli Gagliano

## Childhood Pastime

Katie Beougher

I'm not a cruel person.

One day my dad showed me
how to kill ants
with a magnifying glass.

The bright beam formed
a burning path
which intersected with an ant
who stopped, abruptly.

Nothing could prepare me
for the suddenness,
the quickness of that stop.

I don't burn ants.

"Boom" by Maya Greven

## Everyone can help make a difference...

# RECYCLING

The recycling folks are always making sure that students participate in making a difference in their college community. By managing what they reuse and throw away, students can learn to live in a recycling friendly environment. This was the first year that all students living on campus were required to have a recycling bin in their dorm room. The bins were handed out at orientation to new freshmen and returning students.

Eco-Rollins, a student run club, also supports environmental action on campus.

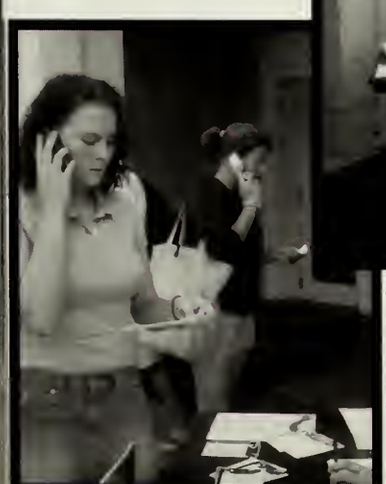
Heather "The Recycler" carries a stack of recycling bins to her table.

An environmental activist explains the "Arctic Day of Action" to Rollins students. Students use their cell phones to call the Chief of Forestry to help save an Alaskan forest.

We have trash cans for a reason... Please don't litter!

Remember what conservation can do for our planet!

Ready for action!



Amanda Moon calls to help save an Alaskan forest.

Recyclers hand out bins to incoming freshmen at orientation.

# Greek Week

## Sit back, relax and watch the show!!

The ladies definitely have this in the bag!

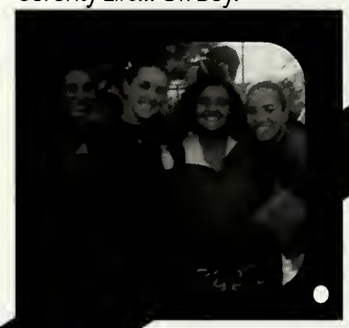
Burn Baby Burn

X-Club Greek Week

Greeks come up with amazing ideas for their boats. Do you think she's going to float?

X-Club and NCM Boat Race: Dan Diachenko assists a girl in troubled waters.

Sorority Life... Oh Boy.



KD's were in the house!!

Let the games begin!

## It's all in the names of my brothers and sisters! Of Course!

TKE and Chi-O Boat race.

Greeks wait for instructions.

There was XYE mania in the Alfond Sports Center.

A group of CUS girls enjoy a night on the town.

Two Rollins girls share a bond of sisterhood.

Twins Ginelle Morales and Giselle Morales share CUS spirit with other members.

## Slogan: Heart United Always

CUS members are always posing with their wings. This lovely Latin sorority is full of fun and has enthusiastic members nationwide. The Rollins CUS chapter was very busy keeping it real this year at the step show. The owl is their mascot.

# XYΣ Chi Upsilon Sigma

The XYE Owl watches over the sorority.

The phi Delta Theta flag represents unified brotherhood.

# Phi Delta Theta

Kappa's success at Rollins continues to increase. This year they were awarded for having improved academically more than any other sorority. For a sorority that prides itself on high standards, this improvement is monumental. Kappa Kappa Gamma participated in numerous social events on campus this year. Some of these social events included 5$ prom and the Barbie Party. Both their fall and spring formals were a success and loads of fun.

Ties and dress shirts are typical garments worn by Phi-Delt members. Pink is also a favorite fraternity color.

This year the Phi-Delts moved their house back to Rex Beach Hall after a short hiatus in Chase Hall. They were happy to have a yard and a view of the lake again.

The Phi Delta Theta Coat of Arms contains their open motto, pronounced "Eis aner oudeis aner." It was adopted in 1880 and means literally, "One man is no man," or more freely interpreted, "We enjoy life by the help and society of others."

Kappa's house is definitely one of the better houses on campus since they have a view of the lake.

Kappa's potential new members in the Bush Auditorium.

New sisters pose for a quick picture.

Samantha Merritt (center) and sisters enjoy an afternoon on the couch.

Kappa's success at Rollins continues to increase. This year they were awarded for having improved academically more than any other sorority. For a sorority that prides itself on high standards, this improvement is monumental. Kappa Kappa Gamma participated in numerous social events on campus this year. Some of these social events included 5$ prom and the Barbie Party. Both their fall and spring formals were a success and loads of fun.

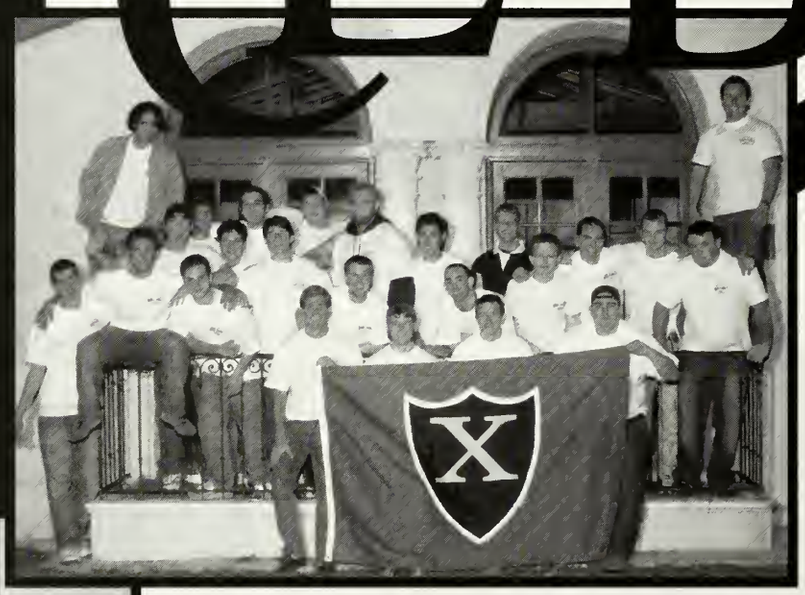
# KKΓ Kappa Kappa Gamma

Two ladies all dressed up for the 5$ prom.

Left: New pledges and old members participate in an outrageous bowling event. Above: The X-Club Flag. Below: X-Club poses with their famous "X".

# X-Club

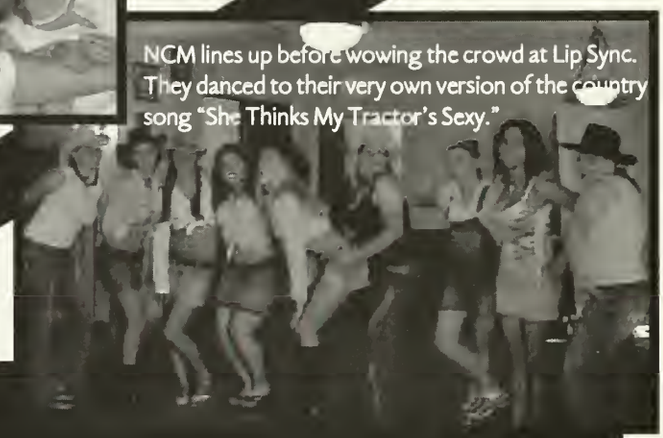
Although located on the far side of campus, X-Club has served Rollins and its reputation very well. The men of X-Club have been involved in numerous organizations including the Biology Interest Group, the Rollins Democrats, the Chemistry Club, and the Student Athletic Advisory Committee. X-Club, along with the rest of Greek life, has sponsored many events on campus including the Blood Drive.



Tyler, Alex, and Eric at the Kappa Delta "Mr. Shamrock" competition. Tyler and Alex were contestants.

X-Club members grab a bite to eat at Dave's Downunder during Greek Week.

The bonds of sisterhood are tight between these girls!



NCM lines up before wowing the crowd at Lip Sync. They danced to their very own version of the country song "She Thinks My Tractor's Sexy."

NCM members pose for pictures before events and parties.

NCM is Rollins only local sorority and its 32nd year is as strong as ever. The ladies of NCM continue their tradition of community service. Their main community service project is called "Green Up Orlando." Besides Relay for Life and other community oriented work, NCM has organized some great social events for the campus community. Red Light Green Light and the Masquerade Ball were just a couple of this year's successful events. As NCM continues to grow, so do their plans for future activities and success.

# NCM Non Compis Mentis

One member shows off her costume and fake farmer's tan at Lip Sync.

# Tau Kappa Epsilon

TKE is an international fraternity supported by an increasing number of members every year. Rollins is the Zeta-Phi Chapter of TKE. They participate and sponsor activities on campus including Greek Week where they competed with other Pan-Hellenic groups in a boat race and in a tug of war. Their mission is to "Aid men in their mental, moral, and social development in life."

Paolo Saieh is always cool and collected when displaying his TKE spirit.

Jake Hershorin and Andrew Bickford show off their studly looks on the beach.

Nate Selzer flaunts his TKE "Bling Bling" (AKA large fake jewelry) at Fox Day. Most TKE members own a piece.

KD seniority leaders have a meeting in the Downunder.

New members show their excitement at Bid-Day.

KD and TKE hosted a Barbeque early this year.

KD's can party all night.

The Kappa Deltas are almost always smiling. As one of the friendliest sororities on campus, the KD's are involved in everything from SGA and leadership clubs, to community service activities and campus wide events. The annual Mr. Shamrock competition in March is always a big hit for the KD's. Several handsome Rollins boys competed for the coveted Mr. Shamrock title and wooed sorority judges to their liking. Mark Canzio won this year and was featured in the KD's Lip Sync performance of *Pulp Fiction*. Kappa Deltas believe in spirit, education, and sisterhood across the board.

# Kappa Delta

KD House Tour Night during recruitment required Luou attire.

Bid Day excitement made these sophomores jump up and down.

ATO's teamed up to wash cars for the Habitat Project.

# Alpha Tau Omega

ATO has always been a popular fraternity on the Rollins campus. They are most well known for their themed parties at their frat house including "Graffiti" and "Swamp." This year the Graffiti party had the highest attendance ever and it continually gets accolades from students. ATO is also involved in community service activities such as Habitat for Humanity. This year they hosted a car wash to earn money for the Habitat Project. ATO members also enjoyed a great spring break trip to the Bahamas.

ATO members in their hotel room in the Bahamas.

This ATO stud got some help from a few of his "friends" at the car wash.

ATO boys flex their muscles to entice vehicles to the car wash.

ATO members get ready before the big Graffiti party.

The girls sretch their Greek Week muscles and prepare for the Boat Races.

Chi Omegas watch other sororities compete on the lawn.

A fun night out is sacred to the Chi Omegas. It's not hard to miss them when they show up to parties in large groups.

The Chi Omegas are a fun and enchanting group of women who strive for excellence in school and in their community. This beautiful troop can be seen all around Rollins in their Chi-O T-shirts and sorority paraphernalia. They are friendly, outgoing, and always looking for a party. True sorority spirit is the key to their success.

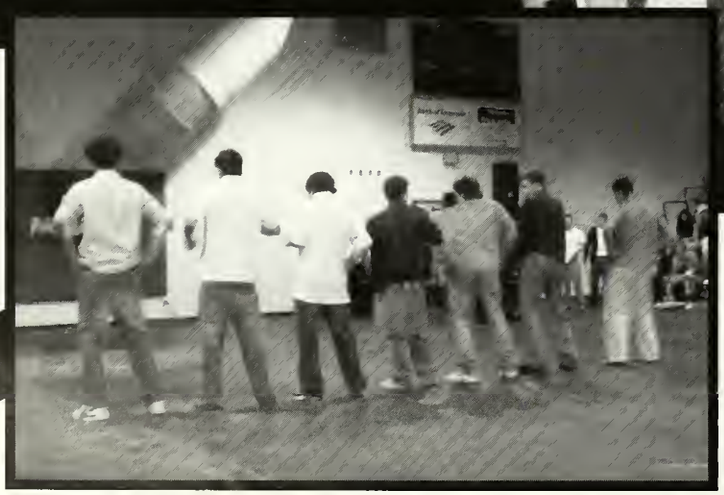
# ΧΩ Chi Omega

The Chi Psi flag is a symbol of their brotherhood and dedication to the fraternity.

# Chi Psi

Chi Psi is a private fraternity of gentlemen devoted to the personal and collective needs of its members. A selective association of diverse individuals, Chi Psi is dedicated to the cultivation of a unique environment that instills a lifelong commitment to Brotherhood. The mission of Chi Psi Fraternity is to create and maintain an enduring society that stimulates intellectual, ethical and social growth and encourages the sharing of traditions and values. In this pursuit, Chi Psi will encourage leadership, respect for oneself and others, and responsibility to the college and community.

The boys helped cheer on the Girls at Bid-Day and may have gotten wet in the process.

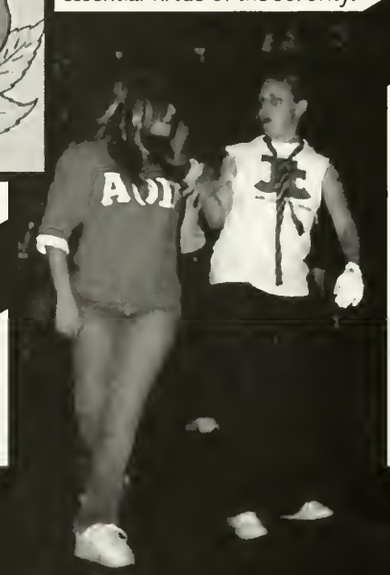


Chi Psi entertained the crowd at Lip Sync with their incredible dancing abilities.

The boys live in Hooker Hall which will be rennovated over the summer.

The girls live in Cross Hall across the street from the foreign languages department. It is also just a two minute walk from Panera Bread.

The rose is the AOPi crest because its color is the symbol of the central and essential virtue of the sorority.



At Lip Sync two girls imitated Brittany Spears.

"AOII sisterhood is a feeling of belonging to a group of women who accept you for who you are and encourage you to develop into who you want to become. In AOII, you can find a place where you feel at home. It's the power of friendship that makes this sisterhood unique," says AOII's members website. This was a fantastic year for the girls. They won first place in the Lip Sync competition and their sorority continues to grow in size. The girls are always enthusiastic and ready for fun!

# AΦΠ Alpha Omicron Pi

The whole ACE crew poses for snapshot together.

Amanda Moon gets something on her pants, but it's ok because she's leadership.

A local band with drummer Thomas Damon play in the Downunder at an ACE sponsored event.

ACE team members always have a good time wherever they go.

# Make an ...

Team members have a positive outlook and great chemistry with one another.

It's not all fun and games.

Team players must learn to strategize.

The team tries to complete their group activity.

# M P A C T

IMPACT is an educational program that consists of a group of Rollins students who are trained and well versed in the areas of diversity, leadership, and service. As a group they create and provide curricular and co-curricular workshops and programs available to all students.

IMPACT is a new creation that has been developed through the collaboration of the Office of Student Involvement and Leadership, Office of Multicultural Affairs, and the Office of Community Engagement.

Matt is at a workshop on leadership service.

The Impact Team poses for the camera.

Workshops can be fun too.

Impact is full of good times and great friends.

Concentration is the key to success.

Facilitation and cooperations make for great teamwork.

# Circle OF Friends

Cielo Gaitan and Joanna Heung made a strong bond in their circle.

Odile Perez and Joanna Heung share a beautiful moment together.

Circle of Firends creates lasting relationships.

The Camp Alliance crew still look excited even after a long day at the ropes course.

The Circle worked with the Camp Alliance Community Service Project.

There is always a good meal at Circle meetings.

Food is culture. These members know how to wine and dine.

The group dined at the Brazilaian Pavalian for a taste of Portuguese culture.

Team building ropes courses were always worth the long bus ride.

Talesa Barnes shows Chris Richards how to salsa at the Unity Fest in the DownUnder.

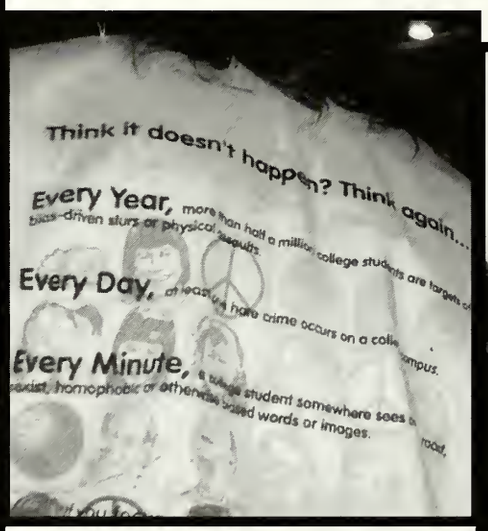
BSU members visited the Winter Park Day Nursery for a community service project.

# Cultural

## Latin American Student Association

## OM- Indian Student Association

Donna Lee and Maruxa Faustmann work for Student Involvement and Leadership. They are the lifelines of CAC at Rollins.



This CAC T-shirt gives shocking information about problems minorities face on college campuses. CAC hopes to make a difference.

The Asian American Student Association set up a table outside the campus center to encourage students to learn about Asian art and decorations.

This BSU member was intrigued by another club's inflatable palm tree.

Indian Student Association, also known as OM, made traditional dishes for students to eat in front of the campus center. The delicious food went fast.

BSU and Voice for Women members attended a women's conference at the University of Florida.

Muslim Student Association

Voices for Women

Native American Culture Alliance

Jewish Student League

# Action

# A committee for cultural awareness

CAC educates and brings about an understanding of issues surrounding diversity. The group promotes a respectful and accepting atmosphere for the Rollins community. Major activities include A Week of Difference, Diversity Celebration Week, Unity Fest, Disability Awareness Week, Islam Awareness Week, Hispanic Heritage Month, Native American Heritage Month, World AIDS Day, Jewish Awareness Week, Black History Month, Women's History Month, India Awareness Week, Foreign Language and Culture Week, and Asian Awareness Week.

Chris Richards prepares some Asian dumplings at a CAC party. Some exchange students from Hong Kong try to show him how to do it right.

Students got the chance to play drums outside the campus center and learn about the music of the Caribbean. The Caribbean Student Association wanted others learn about their roots.

BSU members read stories to children as a part of a BSU community service project.

AASA members celebrate the mid-Autumn Festival.

# Promoti

## Black Student Union

## Gay, Lesbian, Bisexual, Trans-gender Ally Alliance

This BSU member learns to play a Mancala game at Unity Fest.

Dean Powers gives an evening candlelight vigil with BSU members. It is meant to honor black history month. Knowles Chapel is non-denominational and invites all practicing religions.

Celeste Simmons prepares for the candlelight vigil on Mills Lawn.

Grad Assistant Jackie Bayer helps coordinate activities for the CAC.

Several students participated in the Rollins College Peace Jam Youth Conference which helped educate kids about peace and cultural awareness.

Some members of the Latin club joined in with the BSU's on a cultural dance.

Asian American Student Association

Caribbean Student Association

International Student Association

The members of Voices for Women are interested in overcoming stereotypical gender roles. Allison Schill holds up an informative sign.

CAC's banner hung proudly on the Mills building days before the Unity Fest.

# Cultural Action Continued

WPRK members sit in the studio and discuss music, news, hot topics, and life. Radio Disc Jockeys need lots of fodder for their shows.

Holly Hoffman reaches for the popcorn. WPRK members always have a blast with one another.

Shows are broadcasted right here at Rollins.

# WPRK 91.5FM

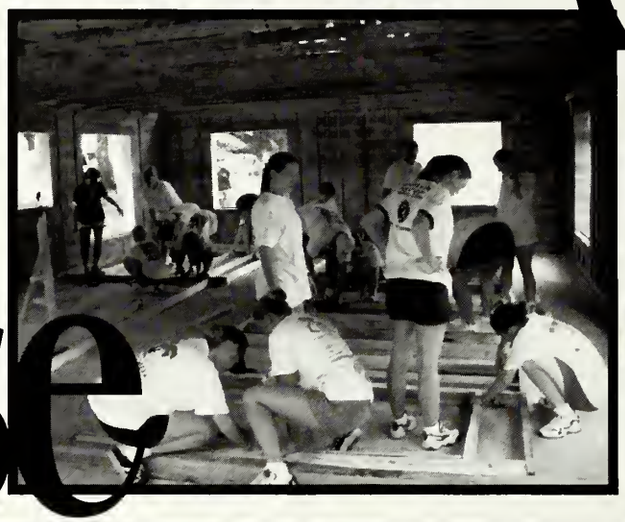
WPRK is most well known for its incredible classical music and unique talk shows. Music students at Rollins host most of the classical programming. Tar basketball games are now broadcasted live on WPRK as are ACE sponsored music groups that appear on Wickit Wednesdays. WPRK is always looking for new bright and talented DJs. Search the Rollins website for more information.

# Making A House A Home

Rollins students worked hard but also had fun in the building process.

Rollins is proud to be a part of the national Habitat for Humanity Program. More and more houses are built every year with the help of Rollins students. Now there is even an intersession course offered during winter break for students interested in community service.

Right: Volunteers lay down fresh new sod for the yard.



Students help set up wall frames to section off the rooms.

A finished house is one of the greatest gifts you can ever give someone.

Students pose with the new home owners and Leadership director, Donna Lee.

# Pinehurst

Maya Robinson gets pranked in her Pinehearst room. Poor Maya!

Aprile Coleman worked at the Pinehurst organization booth during orientation. Aprile is also president of the Black Student Union.

Chris Richards and Jasmine Parker play dress-up in the house.

Pinehearst members eat on the steps and watch the festivities duing "Rita Rocks."

Sean Graham gets creative with a paper bag.

The Pinehurst cottage is 116 years old and it is the only original building left at Rollins. Students who live in the cottage promote tolerance, respect, and public service.

# Specialty Clubs

## FORKS

## Understanding Secularism

## IMAGINE

In a campus with the diverse number of student organizations, one might think there's nothing else to be covered. But this year, some pioneering students saw gaps in the campus' offerings and decided to form new organizations that were of special interest to them. FORKS, Fellowship of Rollins Karaoke Singers, has been crooning in the Faculty Club each week, drawing stares and, at times, nods of appreciation from the passersby.

The Role Playing Society has been taking over the top floor of Bush and letting their imaginations go wild. On a more serious note, Understanding Secularism has been working to promote diversity of thought and to foster understanding of differing points of view. So, no matter what interests you may have, there is a place for you to plug in.

Top: FORKS members add dance and fun to their karaoke session.
Above: Ian Thomas, founder of Understanding Secularism, leads a compelling discussion in the French House.

The Film appreciation Organization continued to bring good films and lively discussion to campus.

Alexandra Tuttle, founder of the Role Playing society and IMAGINE, and Janet Aponte try to attract new members at the Spring Involvement Fair.

# Off-Campus Student Association

# Film Appreciation

# Role Playing Society

OCSA provides students with areas to relax, eat, and hang out in between classes at Rollins. This year OSCA ran "Professor Appreciation Week" and sold t-shirts to proudly proclaim that they were "Anywhere but here."

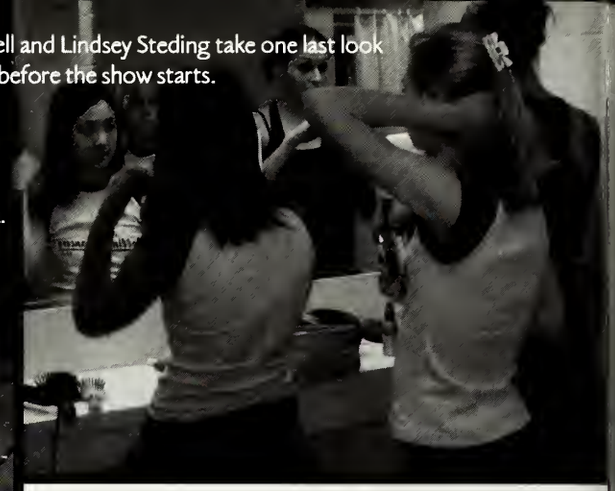
Fellowship of Rollins Karaoke Singers, or FORKS members give a lively rendition of a show-tune during a karaoke event.

Members of the Role Playing Society listen to instructions given by their "Prince."

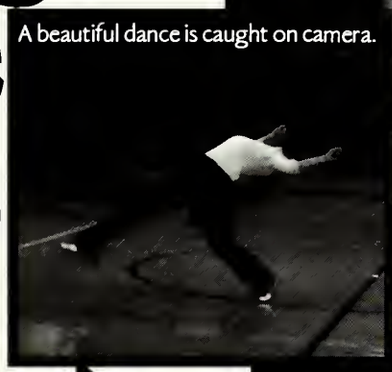
Members of Understanding Secularism discuss ways to make the campus more inclusive.

# Students are Dancers AND PLAYERS

Selena Moshell and Lindsey Steding take one last look in the mirror before the show starts.



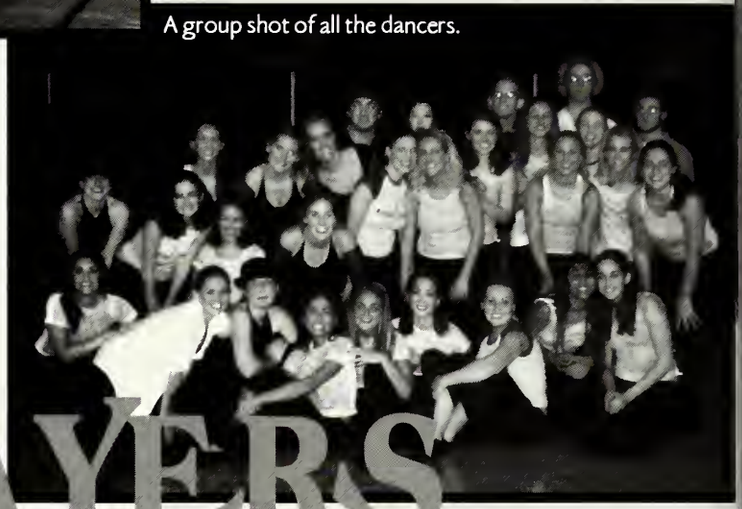
A beautiful dance is caught on camera.



Rollins players always produce a wonderful season of thought provoking, student run shows on the "Second Stage." This season was no exception. From the brilliant mathematics of "Proof" to the hilarity of "Evening at Fred's," the students continue to astound their audiences. Showcases of new works written by some of Rollins' very own, were also highlights this year.

Rollins Dancers as well, caught more than a few eyes with their performances this year. "Attitudes," as always, was a resounding success, drawing much acclaim from the student body. Under the direction of upcoming president Selena Moshell, they're sure to continue this outstanding tradition.

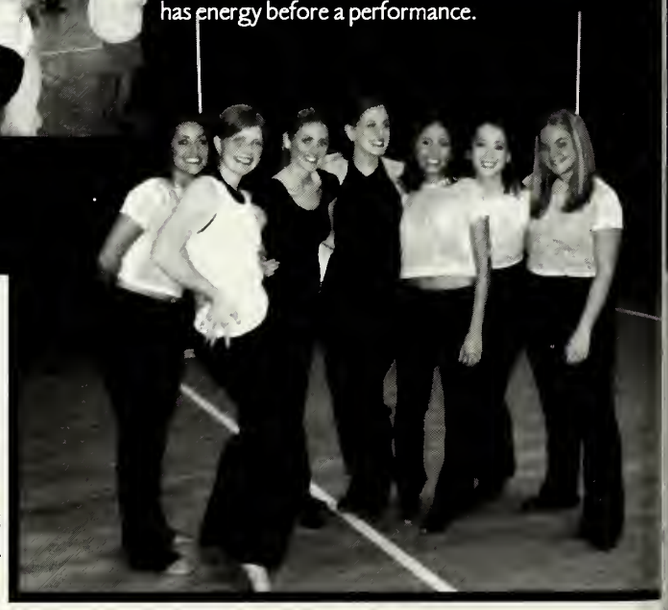
A group shot of all the dancers.



Players act out some scenes in the Fred Stone Theater.

Dancer Deena Patsourakos always has energy before a performance.

The Players performed at Lip Sync and stunned the crowd with their incredible talent.



Veteran dancers look ready before a performance.

Members of Intervarsity smile for the camera at the end of a weekend conference.

# The Spiritual Side of Rollins

To those students wishing to explore the spiritual side of life, there are a number of opportunities both on campus and in the surrounding community. Intervarsity Christian Fellowship has weekly nondenominational meetings, Bible studies, and trips to far-off lands like: Georgia! The Newman Club offers Sunday evening mass for all those Catholics out there (and anyone else who would care to come). In addition, the Jewish Student League sponsors Shabbat dinners and observes many Jewish holidays. The Religious Pluralist Party also works to represent and respect all possible spiritual outlooks.

Mary Patrick (center) and friends live it up at the Intervarsity Conference.

Kelly Welch and Jennifer Tuttle show their excitement over their spiritual experience.

Knowles Memorial Chapel is the sight of Sunday night mass sponsored by Newman Club.

At the student involvement fair, booths were set up around the gymnasium to show students the spiritual options available to them on campus.

# Bush Babies...

With four-hour labs and heavy course loads, one might think science majors never see the light of day. But with great, science related clubs, there always seems to be an escape from the halls of Bush Science Center. In response to the Chemistry Club's annual Mole Day celebration, the Physics students held a Faraday cookout and Biology celebrated Darwin Day. AMSA continues in its growth as an organization, providing support to premedical students and bringing in helpful and informative speakers. Psychology Club, though normally hidden within the recesses of the Johnson Center, made a few public appearances as well to bring in speakers on such topics as "Neuroscience and Spirituality."

After dark, the Bush Babies come out to play. The term "Bush Baby" is given to any student who has three or more classes in the Bush building. Pictured above is an actual bush baby.

Dr. Griffin mans the grill while various students stand by to get their burgers at the Faraday Celebration.

## Active Academic Clubs on Campus:

Psychology Club, AMSA Rollins Premed Chapter, SAACS Student Affiliates of the American Chemical Society, SPS Society of Physics Students, BIG Biology Interest Group

Michelle Kronman, Erin Shirley, and others enjoy the cookout by the lake.

Students enjoy themselves at the annual Mole Day Celebration put on by the Chemistry Club.

SPS Mascot "The Physics Man."

More Mole Day celebration!

# ...In Action

# With HONORS

## National Society of Collegiate Scholars

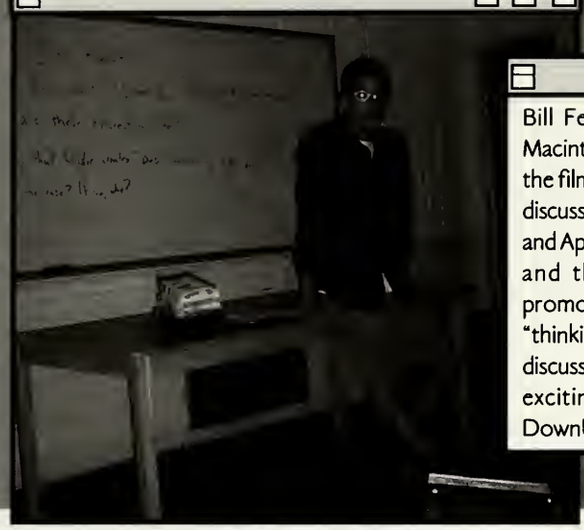
Joanna Leung cuts the cake at the first NSCS induction. Students were thrilled to join such a prestigious national honors society.

## Phi Eta Sigma

Left to right: Treasurer Amy Cardoza, Vice President Nina Sincich, President Kimberly O'Brien, and Secretary Jessica Tousignant were elected to initiate many new members to the honors society this year.

Φ H Σ

# Apple Macintosh Users Club



Bill Fenton is head of the Apple Macintosh Users Club and creator of the film club. Fenton helps sponsor discussion groups related to both film and Apple computers on campus. He and the other Apple members promote the Macintosh motto for "thinking differently" at Rollins. The discussion groups are intellectual and exciting. Look for them in the DownUnder next year.

# Poetry Club

Quills provides a place where poets and lovers of poetry can come together and share their interests.

# Society of Enlightened Academics

The SEA invites all students to share their opinions, epiphanies, ideas, beliefs and their love of knowledge with each other in a relaxed social setting.

Lindsey Steding is a member of SEA and she is also a fantastic discussion leader.

# Before you go.

# Class of 2004

Photos

TIMELINE · WEEK BY WEEK · DAY BY DAY · HOUR BY HOUR

# Rita Rocks the House

## one last time...

As one last homage to her eleven year reign, President Rita Bornstein put together a celebration of grand proportions for her students and staff at the end of the year. Food stands of funnel cakes, hot dogs, snow cones, and more dressed Mills lawn and lured students to the festivities. Raffles, prizes, and entertainment all added to the fun and Rita went out with a bang. The students expected nothing less from their fabulous president.

Kara Sincich enjoys a "Rita" time.

Rita Bornstein

Many students played frizbee and football on the lawn while others ate.

Rita requested the presence of a Beatle's look-alike band at the event and they were absolutely fantastic. They sang our favorite songs and provided incredible entertainment for the students, faculty, and staff enjoying their lunch on the lawn.

May 9th was a monumental day for 2004 seniors. Not only was it Mother's day, but it was also the end of their undergraduate careers at Rollins. Students marched into the chapel with anticipation and marched out with diplomas in hand. Could mom have even asked for a better gift? The grads spent most of the day hanging out with friends, hugging family members, and saying a few last goodbyes. Days like these do not come around very often. Cherish each moment seniors, and good luck with all your future endeavors.

# Commencement

Alexandra Tuttle holds a flag while lining up in front of the chapel.

The Mayer family beamed with pride for their son Benjamin, a 2004 Theater graduate.

# 2004

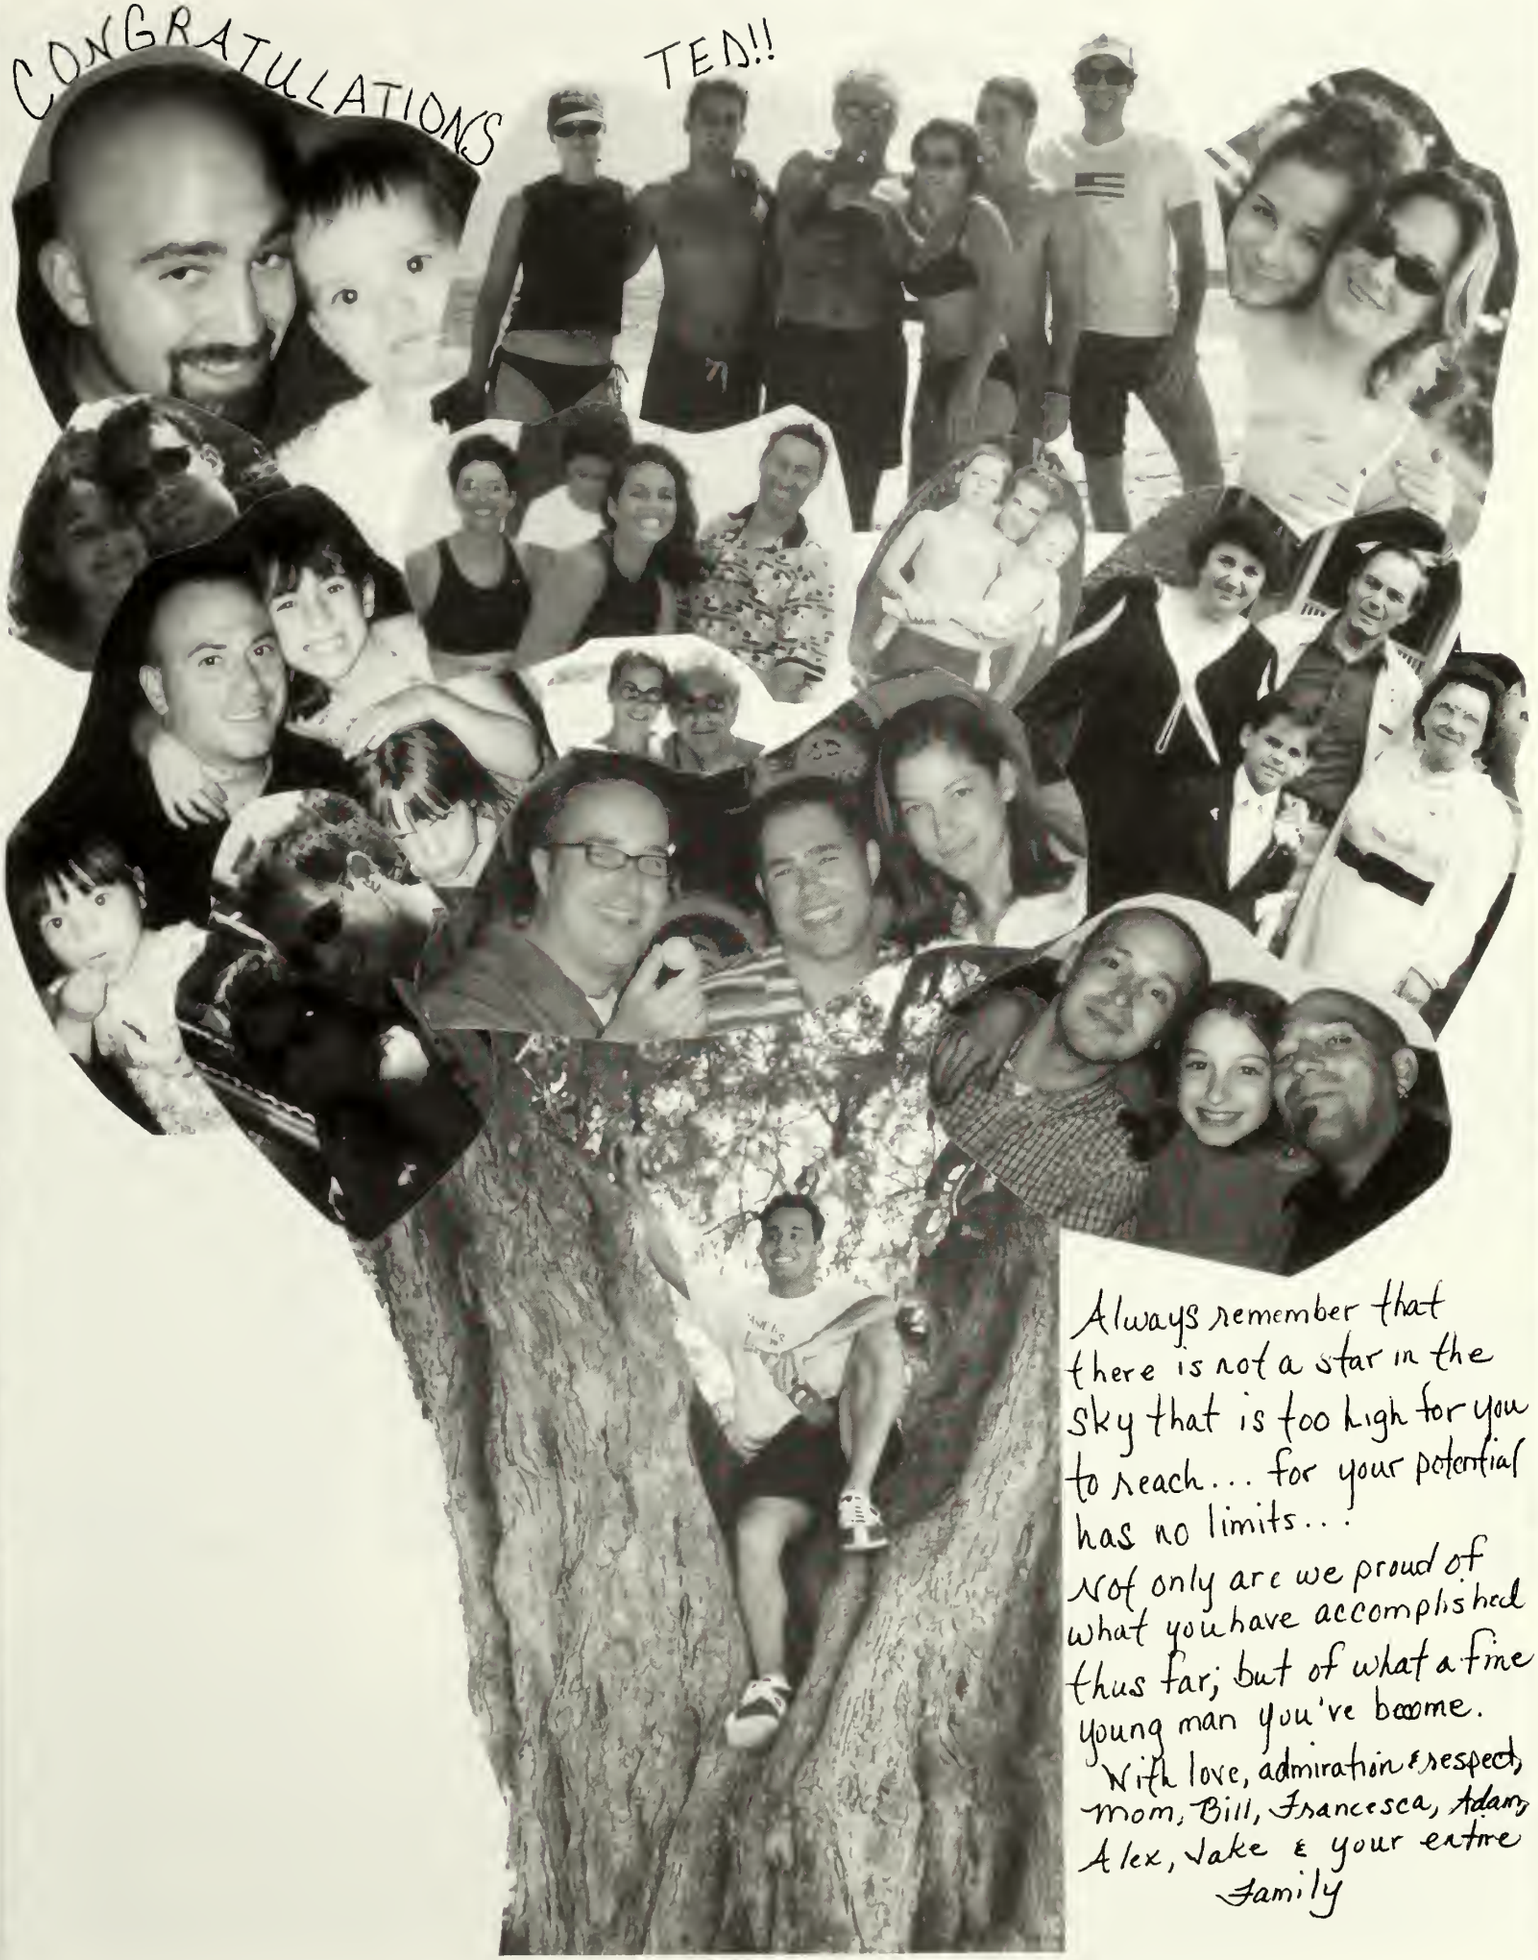
**Bilzer**, I congratulate you on completing one of life's greatest rights of passage. I wish you happiness in your days to come. May the paths that our lives take us, come in constant intersection. I take great pride in calling you a friend, may this only be the preface of one hell of a story. Peace be your journey, my friend. **Your partner in crime, Dan Ehreiser**

**Dear Billy**...Having you in my life has been one of the best things that has ever happened to me. I am so honored to be with such an intelligent and caring man. You are a loving person who deserves nothing but the best in life. I am so proud of all your accomplishments and I know you will succeed in the future. I want you to know I will always be by your side and I thank you for bringing so much happiness in my life. Billy you mean the world to me and I only wish the best for you. Stay strong and all your dreams will come true. I love you more than you'll ever know. Congratulations, Sweetheart! **Love Always, Crystal aka Rolly**

**Dear Billy (Beal),** I'm so proud of you and your accomplishments. You have been a great role model and I am privileged to have you as my big brother. I know that you will continue on the right path toward success. Do great, keep your head high and never give up. I love you lots and always! **Love, Katie (Tootie)**

**Dear Billy,** Congratulations on this momentous accomplishment you have achieved. I am of course so proud of you. Then again when haven't you made us proud. You're almost there - Keep up the great work! The road ahead won't be easy but remember God is by your side and so is your family to help along the way. Keep your goal in sight...Dr William P. Campbell...Dentist! Way to go! You are the Best! **Love Always, Mom**

**Dear Bill,** A parent's most rewarding accomplishment must be to know their child has turned out so well. Life is never ending when you are able to pass on to the next generation characteristics of the previous generation...especially the good characteristics. Please stay focused on what you desire most in life. I know it's been said many times before but I think you are living proof ..."If you do the things you need to do, when you need to do them, the day will come, when you can do the things you want to do, when YOU want to do them". Please remember to take time each and everyday to "stop and smell the roses"...just be happy. That's what life is all about. CONGRATULATIONS !! **Love, One Proud Dad**



Always remember that there is not a star in the sky that is too high for you to reach... for your potential has no limits...
Not only are we proud of what you have accomplished thus far; but of what a fine young man you've become.
With love, admiration & respect,
Mom, Bill, Francesca, Adam, Alex, Jake & your entire family

# Congratulations, Jennifer

To you, my child, I wish you love, happiness and much success as you continue your life. You are a shining example of what a daughter can be.

Love,
Mom and RJ

# Kirsten V. Sheldon

Dear Kirsten,
Our little girl has grown into a beautiful young woman, ready to take on the world. Go for it Kir, reach for the stars, you deserve it! We're so proud of you.

Love,
Mom, Dad and Bryan

# "Milk Dodds"

Ryan,
Keep up the good work and keep finding the back of the net! We love you and are so proud of you.

Mom, Dad, Carson, Jordan,
Chelsea and Riley!
Mark 9:23

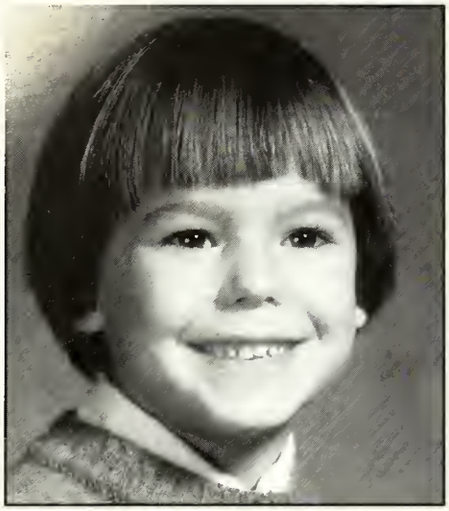
# Ashli Michelle Gagliano

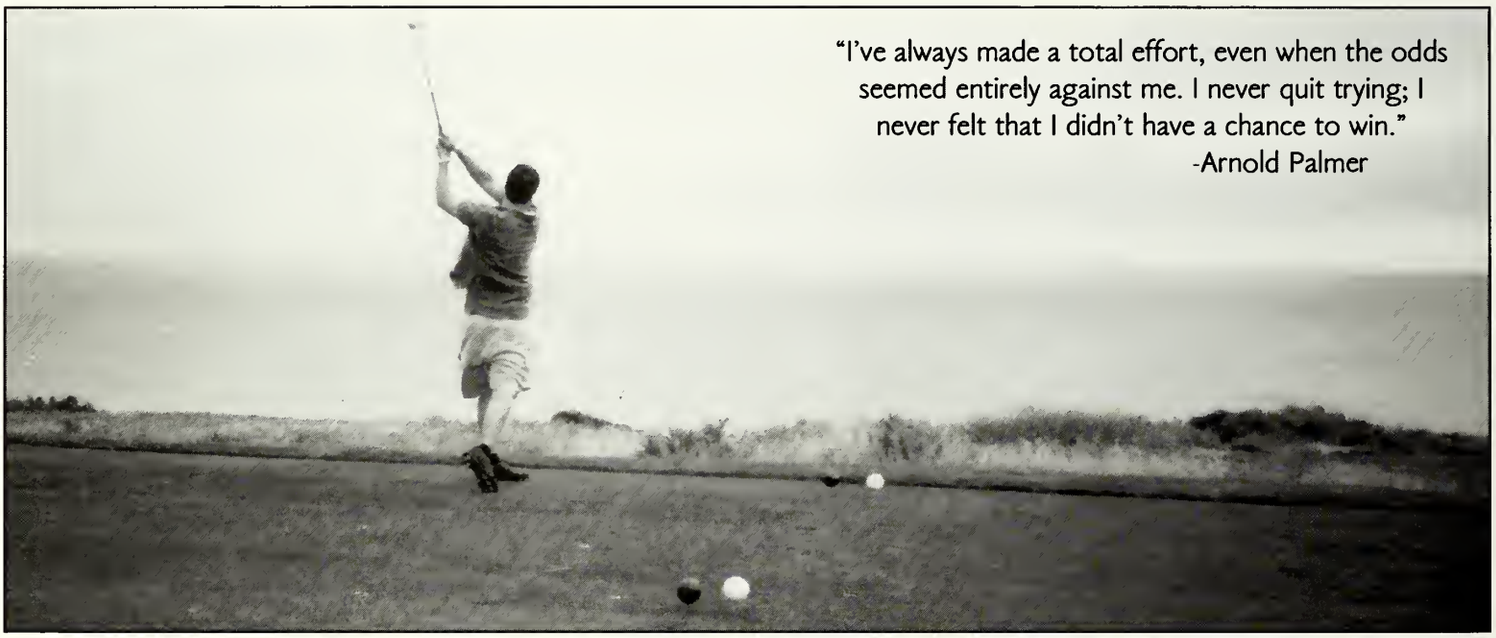
Ashli,

You have blessed us in ways that go far beyond what words can describe. Always know how much we admire, appreciate, and love you.

With all of our love,
Mom, Dad, and Dan

# Samuel James DeLiddo





"I've always made a total effort, even when the odds seemed entirely against me. I never quit trying; I never felt that I didn't have a chance to win."
-Arnold Palmer

"Live as brave men; and if fortune is adverse, front its blows with brave hearts.
-Cicero

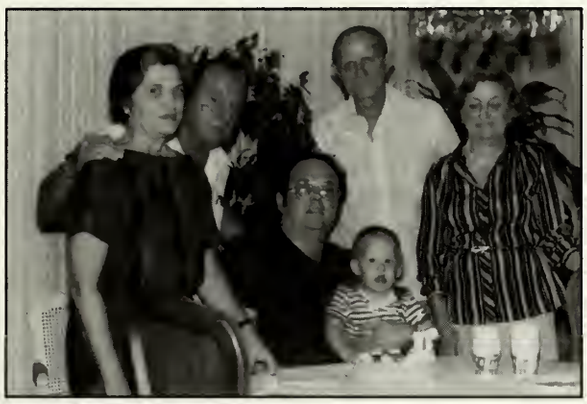
We love you dearly, Sam

-Mom, Dad and Emily

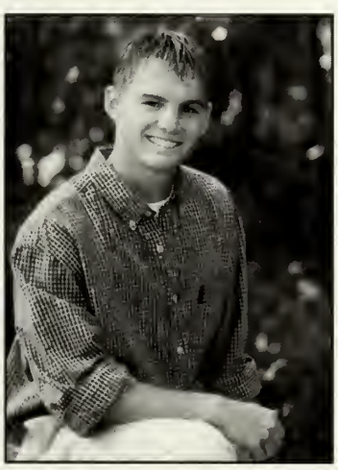
# Eduardo Fernandez

Congratulations on all of your wonderful achievements! We are so proud of you!

Love,
The Whole Family



# Congratulations, Pete!



We're so proud of you! You've come a long way and this is just the beginning.
Love,
Mom and Dad

"Whatever you can do or dream you can, begin it. Boldness has genius, power, and magic in it."
-Johann Wolfgang von Goethe

# COLOPHON
## Tars 2003-2004

This Timeline of events was created for the Rollins College student body. As a student-run yearbook the process was challenging and exciting, but most of all it was an extraordinary opportunity to construct history.

TOMOKAN STAFF:

| | |
|---|---|
| Advisor: | Jackie Bayer |
| Editor-in-Chief: | Molly Lehnhardt |
| Section Editors: | |
| Student Life | Abigayle Fidler |
| Academics | Allison Radzewicz |
| Sports | Stephanie Hanisak |
| Organizations | Monica Clayton |
| Photographers: | Yvette Kojic |
| | Carissa Maguire |
| Business Manager: | Kara Sincich |
| Marketing Rep: | Maxime Hofman |
| Work Study: | Bethany Strunk |

A SPECIAL THANKS TO:

MISSY GREEN of Walsworth Publishing Company for keeping us on task and helping us push the envelope. You are a bright light of inspiration and your enthusiasm is wonderfully contagious.

LESLIE YOKSHAS of Walsworth Publishing Company for always being such a kind and encouraging voice on the other end of the phone. You are always able to lessen the anxiety of a crisis.

WALSWORTH COMPUTER SUPPORT (Jim, Melissa, and Erin) for your dependable service and sympathetic demeanor towards the "less skilled." It isn't easy to find people in your field who have as much patience and understanding as you all have.

LARRY GRIMANDO for providing great commencement photos and for your eagerness to photograph Rollins students.

DEAN HYBL of the Alfond Sports Center for allowing us to borrow remarkable athletic photographs for the sports section.

ROBERT HARTLEY for providing us with excellent photographs of the sororities and fraternities.

YVETTE KOJIC for ALL your beautiful and artistic photographs. This yearbook is as much a commemoration of your own personal timeline as it is a tribute to the school year.

THE YEARBOOK STAFF for your time spent working in an outside of the office and for your ability to learn so quickly.

THE STUDENTS for submitting your own personal photos.

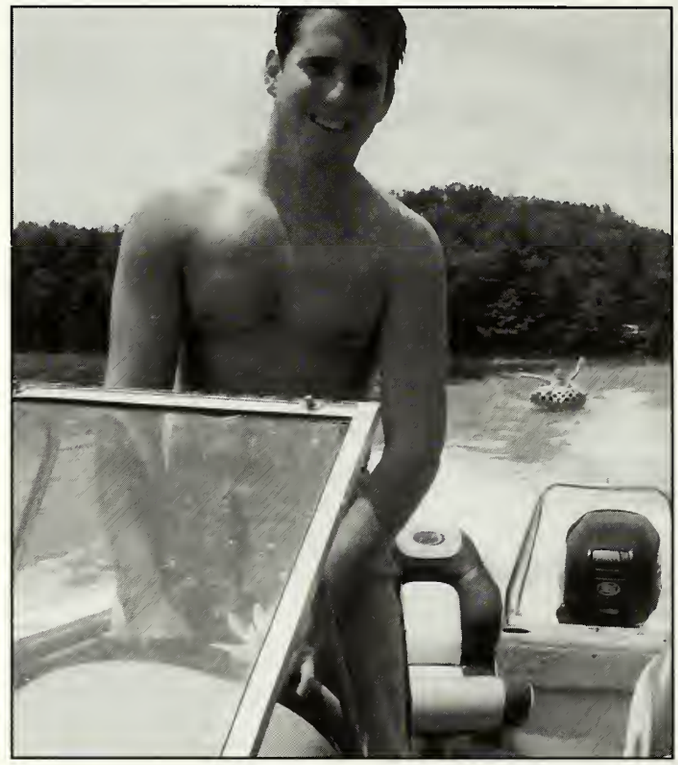
And

JACKIE BAYER for your encouragement, wisdom, judgment, and passion throughout the year. Your common sense and driven leadership allowed the staff to stay structured and optimistic during each stage of the yearbook process. We could not have done it without you.

# THE JOURNEY

## You are where?

## Who's next?



## Island Fever

## Still Playing Hard

## Go 'Noles... Go Gators

## Bros Night Out

## Let's Dance

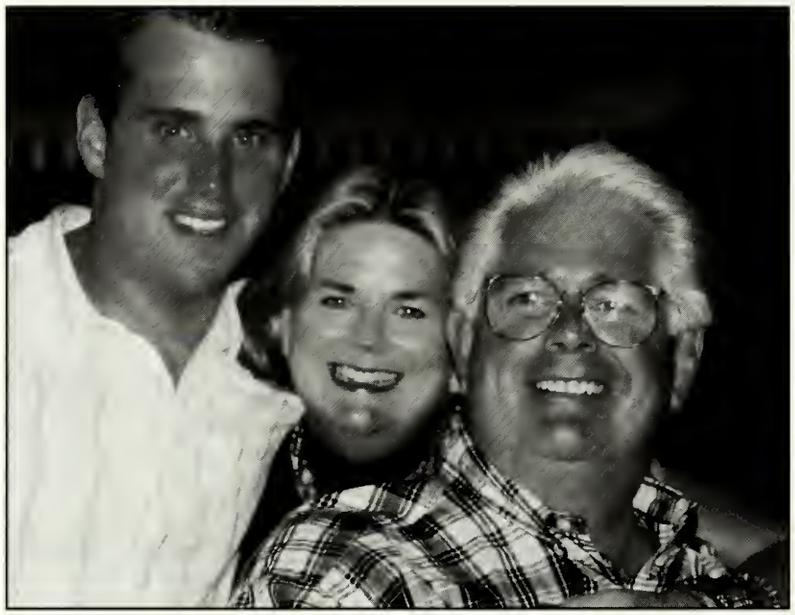
## Chef J.J.

## SURF' S UP

## Just Another Night On The Porch

Your Favorite Girls

Your Anchors



Last Call Boys!

J.J.-

Our hearts are flowing!

-Remember-

"You will make a living by what you get,
But you will make a life by what you
give."

- Churchill

# Congratulations, A.P.

Today is your day.
You're off to Great Places!
You're off and away!
You have brains in your head
You have feet in your shoes.
You can steer yourself
Any direction you choose.
You're on your own. And you know what you know.
And YOU are the girl who'll decide where to go.
We are so proud of you!
Love, Mom, Dad, Parker, Carly, Travis, Brandon, Sarah and Baird!

# Krista Noel Shirley

As you cross the stage to receive your diploma from Rollins College, embrace Your accomplishments and remember that You alone earned every aspect of Achieving your degree of Bachelor of Arts & Sciences in Classical Studies and Anthropology. To obtain the college education you wanted, you knew you would have to maintain excellence in your high school courses and extra curricular activities. Your goal was to earn and be awarded scholarships to attend your choice of college scholarships. Then You chose Rollins College and Rollins college chose you by awarding you The Presidential Scholarship. Although you worked a job full time throughout your college years, you also achieved Scuba diver certification, Pilates instructor certification, a semester of study in Greece and you continued to earn Presidential Scholarship each year from Rollins College.

As a sponge soaks up water, you soak up knowledge and adventure, ensuring you will always be learning and living life to the fullest, never letting one day pass you by or allowing even one person to slow you down or hold you back from your dreams.

My hear swells with pride of you, your spirit, beauty loving heart and accomplishments. Do not ever forget I am very proud of you and that your Daddy was always very proud of you. Know that on your graduation day, as your Daddy is gathering all our family to join him to gaze upon you from heaven, he will be beaming with pride, saying that is my Daughter, Krista! I am so proud of you Krista. Again with pride I tell you, You have done well!

As you mother, i am here to say to you that I am proud of you, proud that you have done so well and happy for you and your accomplishments. I Love You dearly, Krista.

Congratulations and my Love, Mama
